## INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT (this "**Assignment**") is made and entered into by and between Hawk Hunting, LLC, a Michigan limited liability company ("**Assignor**"), and Mainstream Holdings, Inc., a Minnesota corporation ("**Assignee**") (Assignor and Assignee collectively referred to herein as the "**Parties**").

WHEREAS, Assignor is owner of (i) the patents and patent applications set forth on Schedule A attached hereto, together with any and all inventions that are the subject thereof (the "**Patents**"); (ii) the copyrights, copyright registrations, and copyright applications set forth on Schedule B hereto, together with any and all works that are the subject or a derivative thereof (the "**Copyrights**"); (iii) the trademarks, trademark registrations, and trademark applications set forth on Schedule C hereto, together with any and all indicia that are the subject thereof and goodwill symbolized thereby (the "**Trademarks**"); and (iv) the Internet domain names set forth on Schedule D hereto, together with any and all domain name registrations therefor, content accessible therethrough, and goodwill symbolized thereby (the "**Domain Names**") (the Patents, Copyrights, Trademarks, and Domain Names collectively referred to herein as the "**Intellectual Property**");

AND WHEREAS, Assignor and Assignee entered into or will enter into an Asset Purchase Agreement on the 16th day of April 2018 (the "**Asset Purchase Agreement**"), pursuant to which Assignor purchased, agreed to purchase, or will purchase certain assets from Assignee, including all of Assignor's right, title and interest in and to the Intellectual Property.

NOW THEREFORE, for the consideration set forth in the Asset Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

- 1. Assignment.** Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to each of the Intellectual Property, including any and all patents, utility models, invention rights, copyrights, copyright registrations, design rights, semi-conductor topography rights, database rights, moral rights, trademarks, service marks, trade dress, trademark registrations, trade names, domain names, domain name registrations, goodwill, confidential information (including know-how and trade secrets and the rights to use and protect confidential information), and all other intellectual property rights, in each case whether registered or unregistered and including any applications, registrations granted pursuant to any of the applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, conversions, substitutes, extensions, renewals, or extensions of such rights, rights to claim priority to, apply for, and be granted such rights, and all similar or equivalent rights or forms of legal protection that exist now or will exist in the future in any part of the world, together with all rights of action accrued, accruing, and to accrue under and by virtue hereof, including all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to all of the foregoing and all rights to sue or otherwise recover for past, present, and future infringement and receive all damages, payments, costs, and fees associated therewith.
- 2. Assurances.** Assignor hereby covenants and warrants that (i) it is the true and lawful owner of the entire, right, title and interest in the Intellectual Property, (ii) it has the full right and power to convey the Intellectual Property, (iii) the Intellectual Property is free and clear of all liens, charges, and encumbrances whatsoever, and (iv) it has not executed and will not execute any agreement, assignment, sale, or encumbrance that would conflict with this Assignment. Assignor further covenants and warrants that it will promptly provide, upon written request, Assignee with all pertinent facts and documents relating to the Intellectual Property, including correct and complete copies of all patents or registrations, patent applications or applications for registration, and licenses, sublicenses, agreements, covenants not to sue, or other permissions regarding the Intellectual Property, and that it will promptly execute and deliver to Assignee or its legal representatives any and all papers, documents, instruments, or affidavits that may be needed to record and vest full title in and to apply for, obtain, maintain, issue, extend, and enforce the Intellectual Property and legal equivalents thereof in any country which may be necessary or desirable to carry out the purposes thereof.
- 3. Terms of the Asset Purchase Agreement.** The Parties hereto acknowledge and agree that the representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any

conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

4. **Successors and Assigns.** This Assignment shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and assigns.

5. **Counterparts.** This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same agreement.
