TRADEMARK AND DOMAIN NAME ASSIGNMENT

This **TRADEMARK AND DOMAIN NAME ASSIGNMENT** (this "Assignment") is made effective as of August 1, 2018 (the "Effective Date") by and between Energis High Voltage Resources, Inc., a Wisconsin corporation ("Assignor"), in favor of Energis Holdings, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor is the owner of the domain names (the "Domain Names"), trademark applications, trademark registrations, and unregistered trademarks set forth on Schedule A and all common law and other rights, worldwide, in and to the foregoing (such rights, collectively, the "Trademarks"), and together with the Domain Names, the "IP").

WHEREAS, pursuant to that certain Asset Purchase Agreement dated as of the date hereof by and among Assignor, Assignee, Paul Schlies and Joe Fittshur (the "Purchase Agreement"), Assignor has agreed to assign to Assignee all of its rights, title and interest in and to the IP; and

WHEREAS, subject to the terms and conditions of this Assignment, Assignor desires to assign to Assignee, and Assignee desires to receive, all right, title, and interest in and to the IP.

NOW, THEREFORE, for good and valuable consideration as set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby assigns to Assignee all of its right, title and interest in and to the IP, including, without limitation, the goodwill of the business connected with the use thereof and which is symbolized thereby, together with (a) all registrations, applications, renewals and extensions thereof, (b) all income, royalties, damages, claims, and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages, claims and payments for past, present and future infringement, violation or dilution thereof, (c) all rights to sue for past, present and future infringement, violation or dilution of the foregoing, including the right to settle suits involving claims and demands for royalties owing, (d) all rights corresponding to any of the foregoing throughout the world and (e) the right to assign the rights conveyed herein, in the case of all of the foregoing, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this Assignment not been made.
2. Assignor hereby requests the Commissioner for Trademarks of the United States Patent and Trademark Office, and the equivalent entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Trademarks.
3. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.
4. Assignor shall take all further actions, and provide Assignee, Assignee's successors, assigns or other legal representatives all such cooperation and assistance (including the

execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation), as reasonably requested by Assignee to more fully and effectively evidence or effectuate the purposes of this Assignment, including, without limitation, executing any forms of assignment substantially similar hereto as necessary for filing in any jurisdiction outside of the United States.

5. This Assignment may be executed in two (2) or more counterparts, each of which will be deemed an original, but all of which together will constitute one (1) and the same agreement. Any counterpart may be executed by facsimile or electronic portable document format (“.pdf”) signature and such facsimile or .pdf signature shall be deemed an original. This Assignment shall inure to the benefit of and is binding upon the respective successors and assigns of Assignor and Assignee.
6. Nothing herein shall limit or modify in any way the transactions contemplated by, or the other matters addressed in, the Purchase Agreement.
