TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of June 15, 2018 (as amended, restated, supplemented or otherwise modified from time to time, this “Agreement”), is made by the entity identified as a grantor on the signature pages hereto (the “Grantor”) in favor of CIT BANK, N.A., as administrative agent for the Secured Parties (as defined in the Credit Agreement referred to in the Security Agreement referenced below) (in such capacity together with its successors and permitted assigns, the “Administrative Agent”).

WHEREAS the Grantor is party to a Security and Pledge Agreement, dated as of October 6, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”) among the Grantor and the other grantors from time to time party thereto and the Administrative Agent pursuant to which the Grantor granted a security interest to the Administrative Agent in the Trademark Collateral (as defined below) and is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms used herein shall have the meanings given to them in the Security Agreement and the Credit Agreement, as applicable.

SECTION 2. GRANT OF SECURITY INTEREST

SECTION 2.1 Scope of Grant. The Grantor, as security for the payment and performance in full of the Obligations, hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in all right, title and interest in or to any and all of the following assets and properties whether now owned or existing or hereafter owned, acquired, existing or arising hereafter (collectively, the “Trademark Collateral”):

- (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, internet domain names, trade styles, service marks, logos, other business identifiers, whether registered or unregistered, all registrations and recordings thereof, and all applications in connection therewith (other than each application to register any trademark or service mark prior to the filing under Applicable Law of a verified statement of use for such trademark or service mark) anywhere in the United States, including, without limitation, registrations and registration applications in the United States Patent and Trademark Office (“USPTO”), including, without limitation, the registrations and registrations applications listed on Schedule A hereto,
- (ii) all reissues, extensions, continuations (in whole or in part) and renewals of any of the foregoing,

(iii) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past, present or future infringements of any of the foregoing,

(iv) the right to sue for past, present or future infringements of any of the foregoing,

(v) all rights corresponding to any of the foregoing (including, without limitation, the goodwill), and

(vi) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing, all Accessions to any of the foregoing and all collateral security and Supporting Obligations (as now or hereafter defined in the UCC) given by any Person with respect to any of the foregoing;

provided that the security interest granted herein shall not extend to, and the term "Trademark Collateral" shall not include any Excluded Property.

SECTION 3. SECURITY AGREEMENT

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the ratable benefit of itself and the Secured Parties pursuant to the Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. RECORDATION

The Grantor hereby authorizes and requests that the USPTO record this Agreement.

SECTION 5. TERMINATION

This Agreement shall remain in full force and effect until the Termination Date, at which time this Agreement and all security interests in the Patent Collateral granted hereunder shall automatically be terminated and the Administrative Agent shall, upon the request and at the expense of the Grantor, execute and deliver documents reasonably requested by the Grantors evidencing such termination, and all rights to the Patent Collateral shall revert to the Grantor.

SECTION 6. GOVERNING LAW

This Agreement and the other Loan Documents and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly

set forth therein) and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

SECTION 7. COUNTERPARTS

This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and shall be binding upon all parties, their successors and assigns, and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any document or instrument delivered in connection herewith by facsimile or in electronic (i.e., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement or such other document or instrument, as applicable.
