TERMINATION AND RELEASE OF THE GRANT OF SECURITY INTEREST IN
UNITED STATES TRADEMARKS AND PATENTS

This TERMINATION AND RELEASE OF THE GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS AND PATENTS (this "Termination and Release") dated as of May 21, 2018, by JPMORGAN CHASE BANK, N.A., as Collateral Agent (the "Agent") in favor of HUNTSMAN INTERNATIONAL LLC, a Delaware limited liability company, (the "Grantor"). Capitalized terms used in this Termination and Release and not otherwise defined herein have the meanings specified in the Collateral Security Agreement or the IP Security Interest Assignment (as defined below), as applicable.

WITNESSETH:

WHEREAS, pursuant to that certain Collateral Security Agreement between the Grantor, the Agent and the other parties thereto, dated as of August 16, 2005 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Security Agreement"), the Grantor executed a Grant of Security Interest in United States Trademarks and Patents, dated as of August 16, 2005 and recorded with the U.S. Patent and Trademark Office at Reel 021158, Frame 0479 on November 21, 2005 and Reel 3282, Frame 0670 on March 29, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "IP Security Interest"), pursuant to which the Grantor granted to the previous collateral agent, Deutsche Bank AG New York Branch (the "Previous Agent"), a security interest in (i) all of the Grantor's right title and interest in and to the United States patents (the "Patents") listed on Schedule A hereto, (ii) all of the Grantor's right title and interest in and to the United States trademarks, trademark registrations and trademark applications (the "Marks") listed on Schedule B hereto, in each case together with (iii) all Proceeds of the Marks and Patents, (iv) the goodwill of the businesses symbolized by the Marks, and (v) all causes of action arising prior to or after the date of the IP Security Interest for infringement of any of the Marks and Patents or unfair competition regarding the same (collectively, the "IP Collateral"); and

WHEREAS, pursuant to (i) the Fifth Amendment to Credit Agreement, dated as of March 9, 2010 among the Borrower and the Required Lenders (as defined in the Credit Agreement) and (ii) the Successor Agency Agreement, dated as of March 9, 2010 between the Previous Agent and the Agent, the Agent was appointed as successor administrative agent and collateral agent and the Previous Agent and Agent entered into that certain Patent and Trademark Assignment and Assumption, dated as of February 23, 2011, recorded with the U.S. Patent and Trademark Office at Reel 025855, Frame 0783 on February 28, 2011 and Reel 004487, Frame 0377 on February 28, 2011 (as amended, restated, supplemented or otherwise modified from time to time, the "Assignment") pursuant to which the Previous Agent assigned to the Agent all of its rights and obligations in the IP Security Interest and the Patents and the Marks;

WHEREAS, the Assignment incorrectly referred to the IP Security Interest as being recorded with the U.S. Patent and Trademark Office at Reel 3828, Frame 0670 on March 29, 2006, when such IP Security Interest was recorded with the U.S. Patent and Trademark Office at Reel 3282, Frame 0670 on March 29, 2006;

WHEREAS, the Grantor has requested and the Agent has agreed to execute and deliver this Termination and Release to terminate and release the Agent's security interest in the IP Collateral and reassign any and all right, title, and interest in the same to the Grantor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. The Agent hereby releases and terminates in its entirety its security interest in the IP Collateral granted pursuant to the Collateral Security Agreement, the IP Security Interest or the Assignment, and discharges, quit claims, and relinquishes unto the Grantor, and re-assigns, grants and conveys to the Grantor, without any representation, warranty, recourse or undertaking by the Agent, any and all right, title and interest it may have in, to or under the IP Collateral granted pursuant to the Collateral Security Agreement, the IP Security Interest or the Assignment.

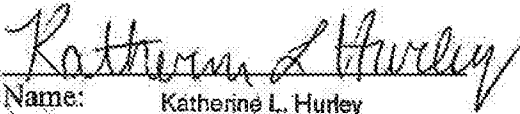

2. The Agent authorizes, at the Grantor's sole expense, the recordation of this Termination and Release by the Commissioner for Trademarks and the Commissioner for Patents of the United States Patent and Trademark Office and any other applicable governmental body.

3. This Termination and Release and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

[Signature page follows]

IN WITNESS WHEREOF, the undersigned has caused this Termination and Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.

JPMORGAN CHASE BANK, N.A.,
as Agent

By: 
Name: Katherine L. Hurley
Title: Vice President
