WHEREAS, the Grantor has entered into a Pledge and Security Agreement, dated July 3, 2015 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”), in favor of Grantee;

WHEREAS, pursuant to the Security Agreement, the Grantor has granted to the Grantee a continuing security interest in all right, title and interest of the Grantor in, to and under all of Grantor’s trademarks, service marks, brand names, certification marks, collective marks, d/b/a's, Internet domain names, logos, symbols, slogans, trade dress, assumed names, fictitious names, trade names, and other indicia of origin, all applications and registrations for all of the foregoing, and all goodwill associated therewith and symbolized thereby, including without limitation all modifications and renewals of same, including without limitation the trademark registrations and trademark applications set forth on the attached Schedule A (the “Trademarks”) and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “Collateral”), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement);

WHEREAS, Grantor has adopted, used and is using, and holds all right, title and interest in and to, the Trademarks and has the ability to enter into this Grant of Security Interest with respect to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor does hereby grant to the Grantee a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. The Grantor agrees to take any further actions reasonably requested by Grantee to assist in Grantee’s perfection of the security interest granted herein, including without limitation, the execution of documentation or recordation of assignment documentation with relevant intellectual property offices.
