No single or partial exercise of any right, power or privilege hereunder, under the Facilities Agreement or under any other Finance Document shall preclude any other or further exercise thereof, or the exercise of any other right, power or privilege.

10. SECURED PARTY'S EXERCISE OF RIGHTS AND REMEDIES UPON AN EVENT OF DEFAULT.

(a) Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent may (to the extent permitted by law) exercise any and all rights and remedies

provided in this Agreement, the Facilities Agreement, the other Finance Documents, at law and in equity. In connection therewith following the occurrence and during the continuance of an Event of Default, the Collateral Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the patents, trademarks, copyrights or service marks secured hereby and, if the Collateral Agent shall commence any such suit, the Grantors shall, at the request of the Collateral Agent, do any and all lawful acts and execute any and all proper documents required by the Collateral Agent in aid of such enforcement. The Grantors shall, upon demand, promptly reimburse the Collateral Agent for all reasonable out-of-pocket costs and other reasonable expenses including, without limitation, reasonable attorneys' fees and expenses, incurred by the Collateral Agent in the exercise of its rights under this paragraph.

(b) Without limiting the generality of subparagraph (a), above, if an Event of Default shall occur and be continuing, the Collateral Agent may by written notice to the Grantors take any or all of the following actions: (i) declare the entire right, title and interest of the Grantors in each of the patents, copyrights, trademarks and other Proprietary Collateral vested, in which event such right, title and interest shall immediately vest in the Collateral Agent, in which case each Grantor agrees to execute an assignment in form and substance reasonably satisfactory to the Collateral Agent of all its right, title, and interest to such Proprietary Collateral to the Collateral Agent; (ii) take and practice, use or sell the Proprietary Collateral; and (iii) direct the Grantors to refrain, in which event each Grantor shall refrain, from using or practicing the Proprietary Collateral directly or indirectly, and each Grantor shall execute such other and further documents as the Collateral Agent may reasonably request further to confirm this and to transfer ownership of the Proprietary Collateral to the Collateral Agent.

11. SEVERABILITY. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

12. MODIFICATION. This Agreement cannot be altered, amended or modified in any way, except as specifically provided by a writing signed by the parties hereto pursuant to Clause 37 of the Facilities Agreement.

13. CUMULATIVE REMEDIES; POWER OF ATTORNEY. All of the Collateral Agent's rights and remedies in respect of the Proprietary Collateral whether established hereby, by the Facilities Agreement, by any of the Finance Documents or by law, shall be cumulative and may be exercised singularly or concurrently. Upon the occurrence and during the continuance of an Event of Default, each Grantor hereby constitutes and appoints the Collateral Agent its true and lawful attorney-in-fact, with full power of substitution, with power to (a) endorse such Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Collateral Agent in the use of the Proprietary Collateral, (b) take any other actions in respect of the Proprietary Collateral as the Collateral Agent deems in the best interest of the Collateral Agent, (c) grant or issue any exclusive or non-exclusive license under the Proprietary Collateral to anyone, or (d) assign, pledge, convey or otherwise transfer title in or dispose of the Proprietary Collateral to anyone. Each Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable

until all of the Collateral shall have been released pursuant to the terms of the Facilities Agreement. Each Grantor hereby acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Collateral Agent under the Facilities Agreement or any of the other Finance Documents, but rather is intended to facilitate the exercise of such rights and remedies. The Collateral Agent shall have, in addition to all other rights and remedies given to it by the terms of this Agreement, all rights and remedies allowed by law and all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Proprietary Collateral may be located or deemed located.

14. APPLICATION OF PROCEEDS. All Collateral and proceeds of Collateral obtained and realized by the Collateral Agent from the exercise of remedies hereunder or under any other documents relating to this Agreement shall, unless otherwise required by the terms of the other Finance Documents or by applicable law, be applied in accordance with Clause 8.4 of the Foreign IP Security Agreement.

15. AGENT. The Collateral Agent will hold in accordance with this Agreement all items of the Collateral at any time received under this Agreement. The acceptance by the Collateral Agent of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Collateral Agent to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral. By accepting the benefits of this Agreement, each Secured Party acknowledges and agrees that the rights and obligations of the Collateral Agent shall be as set forth in the Facilities Agreement.

16. ENFORCEMENT ON BEHALF OF SECURED CREDITORS; RESPECTIVE RIGHTS. The Secured Parties agree by their acceptance of the benefits hereof that this Agreement may be enforced on their behalf only by the action of the Collateral Agent, acting upon the instructions of the Majority Lenders and that no other Secured Party shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent, for the benefit of the Secured Parties, upon the terms of this Agreement. The respective rights and priority of the Secured Parties as to the Proprietary Collateral shall be as set forth in the Facilities Agreement, the Intercreditor Agreement and the Foreign IP Security Agreement.

17. EFFECTIVENESS OF SECURITY DOCUMENTS; EVENT OF CONFLICT. Some or all of the Grantors may execute and deliver to the Collateral Agent additional Security Documents governed by the laws of New York or of other jurisdictions, including foreign jurisdictions; and some or all of such other Security Documents may also grant rights and interests in property that is part of the Proprietary Collateral hereunder. All such rights and interests granted to the Collateral Agent in such other Security Documents are intended to be, and shall be, cumulative with the rights and interests granted to the Collateral Agent, for the benefit of the Secured Parties, in this Agreement; and this Agreement shall not be construed to impugn the effectiveness of, or the security interests or other liens granted by, any of such other Security Documents, nor shall any of such other Security Documents be construed to impugn the effectiveness of, or the security interests or other liens granted by, this Agreement.

Notwithstanding anything to the contrary in this Agreement, this Agreement is entered into and subject to, and with the benefit of, the terms of the Facilities Agreement, the Intercreditor Agreement and the Foreign IP Security Agreement, and the terms of the Facilities Agreement, the Intercreditor Agreement and the Foreign IP Security Agreement (as appropriate) will prevail if there is a conflict between the terms of this Agreement and the terms of the Facilities Agreement, the terms of the Intercreditor Agreement or the terms of the Foreign IP Security Agreement, respectively, except if such prevailing would have a negative effect on the validity or enforceability of the Transaction Security created hereunder, in which case the provisions of this Agreement shall prevail.

18. BINDING EFFECT; BENEFITS. This Agreement shall be binding upon the Grantors and their respective successors and assigns, and shall inure to the benefit of the Collateral Agent and its nominees, successors and assigns. Each Grantor's successors and assigns shall include, without limitation, a Subsidiary, a receiver, trustee or debtor-in-possession of or for such Grantor.
