TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is entered into as of April 17, 2018, by and among United BioSource LLC, a Delaware limited liability company and UBC Late Stage, Inc., a Missouri corporation (each individually a "Grantor", and collectively, the "Grantors") and Wells Fargo Bank, N.A., in its capacity as administrative agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the "Administrative Agent").

WITNESSETH:

WHEREAS, each Grantor is a party to that certain Guarantee and Collateral Agreement, dated as of the date hereof (as it may be from time to time amended, restated, amended and restated, replaced, supplemented or otherwise modified, the "Guarantee and Collateral Agreement"), in favor of the Administrative Agent pursuant to which each Grantor granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in and continuing Lien on, all Intellectual Property owned by each Grantor and pursuant to which each Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Administrative Agent, for the benefit of the Secured Parties, to enter into the ABL Credit Agreement, and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Guarantee and Collateral Agreement and used herein have the meaning given to them in the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Administrative Agent for itself and the ratable benefit of the Secured Parties a continuing Lien on and security interest in and to all of its right, title and interest in, to and under the following, whether presently existing or hereafter arising or acquired, which includes each Grantor's rights to: (a) the Trademarks of each Grantor, including but not limited to those listed on Schedule I attached hereto and all goodwill associated therewith (excluding any "intent-to-use" trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable Federal Law); (b) the right to obtain all renewals thereof; and (c) all income, royalties, products and proceeds at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, dilution, violation or other impairment thereof (collectively, the "Trademark Collateral").

SECTION 3. Guarantee and Collateral Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Guarantee and Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement (and are expressly subject to the terms and conditions thereof), the terms and provisions of which are incorporated by reference as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

SECTION 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, neither the Administrative Agent nor any Lender shall have any responsibility for the maintenance, prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Trademarks that are subject to a security interest hereunder.

SECTION 5. Termination. Upon the termination of the Guarantee and Collateral Agreement in accordance with its terms, the Administrative Agent shall execute, acknowledge, and deliver to each Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which, when taken together, shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 7. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 8. RECORDING. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Trademark Security Agreement.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
