RELEASE OF SECURITY INTEREST IN TRADEMARK COLLATERAL

This RELEASE OF SECURITY INTEREST IN TRADEMARK COLLATERAL (this “Release”) is made as of August 6, 2018 (the “Effective Date”), by GOLUB CAPITAL LLC, a Delaware limited liability company, in its capacity as administrative agent (in such capacity, “Grantee”), in favor of CALIFORNIA CRYOBANK LLC, a California limited liability company (the “Borrower”), and CALIFORNIA CRYOBANK STEM CELL SERVICES LLC, a California limited liability company (“CCB-SCS”; together with the Borrower, collectively, the “Grantors”, and each, individually, a “Grantor”).

WHEREAS, reference is made to that certain Credit Agreement, dated as of August 19, 2014, (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”) among the Grantors, the other loan parties party thereto, the financial institutions from time to time party thereto as lenders (the “Lenders”) and Grantee;

WHEREAS, pursuant to the Credit Agreement, the Grantors, the Grantee, and certain other parties entered into that certain Security Agreement, dated as of August 19, 2014, (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”);

WHEREAS, pursuant to the Security Agreement, the Grantors entered into that certain Trademark Security Agreement, dated as of October 24, 2014 (as amended, restated or otherwise modified from time to time, the “Trademark Security Agreement”), which was recorded with the United States Patent and Trademark Office on October 12, 2016 at Reel/Frame 5898/0111;

WHEREAS, pursuant to the Trademark Security Agreement, each Grantor granted to Grantee, for the benefit of the Lenders, a continuing security interest in all of such Grantor’s right, title, and interest in, to and under the following, whether then existing or thereafter created or acquired: (i) each trademark and trademark application, including, without limitation, each trademark and trademark application listed on Schedule 1 attached hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith (though excluding any “intent to use” trademark application for which a statement of use has not been filed and accepted with the U.S. Patent and trademark office); (ii) each trademark license, including, without limitation, each trademark license listed on Schedule 1 attached hereto, together with all goodwill associated therewith (but in each case only to the extent permitted by terms of the applicable license, and provided the grant of security interest in such license would not result in the loss of rights or create a default thereunder); and (iii) all products and proceeds of the foregoing, including without limitation, any claim by such Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 attached hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1, and any trademark licensed under any trademark license listed on Schedule 1 attached hereto (collectively, the “Trademark Collateral”);

WHEREAS, Grantee has consented to the release of its security interest in the Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantee hereby covenants and agrees as follows:

1. Grantee’s security interest in the Trademark Collateral is hereby terminated and released in its entirety.
2. To the extent Grantee retains any interest in the Trademark Collateral, Grantee hereby assigns, transfers and conveys to the applicable Grantor, all of Grantee’s right, title and interest, now owned or hereinafter acquired, that it may have whether by assignment or otherwise, in and to the Trademark Collateral of such Grantor.

3. Grantee hereby agrees to execute, acknowledge and deliver all such further instruments and to take all such further actions as may be reasonably requested or are required in order to more fully and effectively carry out the purposes of this Release at the Grantors' sole cost and expense.
