## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **INTELLECTUAL PROPERTY SECURITY AGREEMENT** (this “**Agreement**”) is made as of **August 1, 2018** between each of the signatories hereto (collectively, the “**Grantors**”) in favor of **BRIGHTWOOD LOAN SERVICES LLC**, as collateral agent for the Secured Parties (in such capacity, the “**Collateral Agent**”) (as defined in the Pledge and Security Agreement referred to below).

### RECITALS:

**WHEREAS**, reference is made to that certain Pledge and Security Agreement, dated as of August 1, 2018 (as it may be amended, restated, supplemented or otherwise modified from time to time, the “**Pledge and Security Agreement**”), by and among the Grantors, the other grantors party thereto and the Collateral Agent; and

**WHEREAS**, under the terms of the Pledge and Security Agreement, the Grantors have (i) as collateral security for the Secured Obligations, granted to the Collateral Agent a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the Collateral (as defined in the Pledge and Security Agreement), including, without limitation, certain Intellectual Property of the Grantors and (ii) agreed to execute this Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities.

**NOW, THEREFORE**, in consideration of the premises and the agreements, provisions and covenants herein contained, each Grantor and the Collateral Agent agree as follows:

**Section 1. Grant of Security.** As collateral security for the Secured Obligations, each Grantor hereby grants to the Collateral Agent a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the following:

(a) All United States, and foreign copyrights (including Community designs, and whether or not the underlying works of authorship have been published), including but not limited to copyrights in software and all rights in and to databases, and all designs (including industrial designs, Protected Designs within the meaning of 17 USC 1301 et. seq., and community designs) and all Mask Works (as defined under 17 USC 901 of the US Copyright Act), whether registered or unregistered, moral rights, reversionary interests and termination rights, and, with respect to any and all of the foregoing: (i) all registrations and applications therefor, including, without limitation, the registrations and applications listed in **Schedule 1** hereto under the heading “**Copyrights**” (as such schedule may be amended or supplemented from time to time); (ii) all extensions and renewals thereof; (iii) all rights corresponding thereto throughout the world; (iv) all rights in any material which is copyrightable or which is protected by common law, United States or foreign laws, or the law of any State; (v) all rights to sue or otherwise recover for past, present and future infringements thereof; (vi) all Proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto; and (vii) all tangible property embodying the copyrights or such copyrighted materials (collectively, the “**Copyrights**”).

(b) All United States and foreign patents and certificates of invention, or similar industrial property, design or plant rights, and applications for any of the foregoing, including, but not limited to: (i) all registrations, provisional and applications therefor (including each patent and patent application listed in **Schedule 1** hereto); (ii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations therefor; (iii) all rights corresponding thereto throughout the world; (iv) all inventions and improvements described therein; (v) all rights to sue or otherwise recover for any past, present and future infringements thereof; (vi) all licenses, claims, damages, and proceeds of suit arising

therefrom; and (vii) all Proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto, and (vii) all other rights of any kind accruing thereunder or pertaining thereto throughout the world (collectively, the “**Patents**”).

(c) All United States, and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, whether or not registered, and with respect to any and all of the foregoing including, but not limited to: (i) all registrations and applications for any of the foregoing including the registrations and applications listed on **Schedule 1** hereto, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business associated with the use of and symbolized by the foregoing, (iv) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and (v) all Proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world (collectively, the “**Trademarks**”).

(d) All trade secrets and all other confidential or proprietary information and know-how regardless of whether such trade secret has been reduced to a writing or other tangible form, including all documents and things embodying, incorporating, or referring in any way to such Trade Secret, including but not limited to: (i) the right to sue for past, present and future misappropriation or other violation of any Trade Secret and to enjoin or collect damages for the actual or threatened misappropriation of any Trade Secret; and (ii) all Proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the “**Trade Secrets**”).

(e) All licenses or agreements, whether written or oral, providing for the grant by or to any Grantor of: (A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use, import, export, distribute, offer for sale or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, (i) the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in **Schedule 1** hereto, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, and (v) any and all proceeds of the foregoing.

**Section 2. Recordation.** Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

**Section 3. Counterparts.** This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (*i.e.*, “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement.

**Section 4. Governing Law.** This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement

and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

**Section 5. Conflict Provision.** This Agreement has been entered into in conjunction with the provisions of the Pledge and Security Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Pledge and Security Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Pledge and Security Agreement or the Credit Agreement, the provisions of the Pledge and Security Agreement or the Credit Agreement shall govern.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor and the Collateral Agent have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.
