NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby makes covenants and agrees with the First Lien Collateral Agent for the benefit of the Secured Creditors as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.04 of the Credit Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guaranty, the Grantor, pursuant to the Security Agreement, hereby grants to the First Lien Collateral Agent, its successors and assigns, for the benefit of the Secured Creditors, a security interest in all right, title and interest in, to and under any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

all of the following now owned or hereafter acquired by the Grantor arising under the laws of the United States;

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings of any of the foregoing, and all registration and recording applications filed in connection with any of the foregoing, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States, and all extensions or renewals of any of the foregoing, including those listed on Schedule I, and

This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interests herein with the United States Patent and Trademark Office. The security interests granted to the First Lien Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the First Lien Collateral Agent pursuant to the Security Agreement.
