**TRADEMARK SECURITY AGREEMENT**

(DealCloud, Inc.)

This TRADEMARK SECURITY AGREEMENT (this “**Trademark Security Agreement**”) is made this 13th day of August, 2018, among Grantors listed on the signature pages hereof (collectively, jointly and severally, “**Grantors**” and each individually “**Grantor**”), and GOLUB CAPITAL LLC, in its capacity as Agent for the Secured Parties (together with its successors, “**Agent**”).

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of September 30, 2013 (as amended, restated, supplemented or otherwise modified through the date hereof, including all schedules and exhibits thereto, the “**Original Credit Agreement**”) among LegalApp Holdings, Inc., a Delaware corporation (“**Parent**”), Integration Appliance, Inc., a Delaware corporation (the “**Borrower**”), IntApp, Inc., a Delaware corporation, the lenders from time to time party thereto as “**Lenders**” (collectively, the “**Lenders**”), and Agent, the Lender Group made certain financial accommodations available to Borrower pursuant to the terms and conditions thereof; and

WHEREAS, the Original Credit Agreement is being amended and restated on the date hereof (the Original Credit Agreement, as amended and restated on the date hereof, and as further amended, restated, supplemented or otherwise modified from time to time, including all schedules and exhibits thereto the “**Credit Agreement**”), and pursuant to the terms of the Credit Agreement, the Lender Group will make certain additional financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the Secured Parties are willing to make the financial accommodations to Borrower and the other Loan Parties as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Agent, for the benefit of the Secured Parties, that certain Security Agreement dated as of September 30, 2013 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “**Security Agreement**”); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of the Secured Parties, this Trademark Security Agreement; and

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. Each Grantor hereby grants to Agent, for the benefit of the Secured Parties, a continuing first priority security interest (subject to Permitted Liens) in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

(a) all of the registered Trademarks and applications therefor (other than applications filed on an “intent-to-use” basis) owned by such Grantor including those referred to on Schedule I hereto;

(b) all goodwill of the business connected with the use of, and symbolized by, the foregoing Trademarks; and

(c) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark, (ii) injury to the goodwill associated with any such Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Intellectual Property License with respect to any such Trademark.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to Agent, the other Secured Parties or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new Trademark registrations or applications therefor, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give notice in writing to Agent with respect to any such additional trademark registration granted after the date hereof in accordance with the Security Agreement. Grantors hereby authorize Agent unilaterally to modify this Agreement in accordance with the Security Agreement by amending Schedule I to include any such new trademark registration or applications therefor owned by Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

6. TERMINATION. Upon the termination of the Security Agreement, the Agent shall promptly, upon request from such Grantor and at such Grantors sole expense, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

7. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

8. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any

reference herein or in any other Loan Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash in immediately available funds of all Obligations other than amounts owing in respect of indemnification, expense reimbursement, yield protection or tax gross-up and contingent obligations, in each case with respect to which no claim has been made. Any reference herein to any Person shall be construed to include such Person's successors and assigns. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.
