TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement") is entered into on June 12, 2018 (the "Effective Date") by and between **Matcal, Inc.**, a Delaware company, with an address of 115 Broadway, 7th Floor New York, NY 10006 ("Assignor"), on the one hand, and **Wings Over IP, Inc.**, a New York company, with an address of 115 Broadway, 7th Floor New York, NY 10006 ("Assignee").

WHEREAS, Assignor owns the entire right, title and interest in the trademarks and the trademark applications and/or registrations associated therewith that are listed in Exhibit A attached hereto and incorporated herein by reference, and the goodwill of the "WINGS OVER" business symbolized by the aforesaid trademarks (collectively, the "Marks" or the "Wings Over Brand");

WHEREAS, Assignor as the result of the expenditure of time, skill, effort, and money, developed a unique system relating to the establishment and operation of restaurants under the Wings Over Brand ("Wings Over Restaurants") offering for sale to the public food and beverage items, including but not limited to boneless chicken wings, bone in chicken wings, jumbo wings, St. Louis style ribs, specialty fried or broiled chicken sandwiches, wraps, hamburgers, and other approved items, and the carry-out and delivery of such products (the "System");

WHEREAS, Assignor currently licenses the Marks in connection with the System to certain franchisees for their use in the operation of their Wings Over Restaurants;

WHEREAS, Assignor wishes to assign and Assignee wishes to acquire Assignor's rights, title, and interest in the Marks, along with the goodwill associated therewith on the terms and conditions hereinafter provided; and

WHEREAS, Assignor and Assignee agree to subsequently enter into a trademark license agreement ("Trademark License Agreement") whereby Assignor is granted the right to use the Marks in connection with the System and the right to sublicense to third parties the use of the Marks as franchisees of the System ("Franchisees").

NOW THEREFORE, in consideration of the agreement set forth herein and other good and valuable consideration, the parties agree as follows:

1. Assignor hereby conveys and assigns to Assignee, and Assignee hereby accepts from Assignor, all of Assignor's right, title, and interest in and to the Marks, together with any goodwill attaching thereto.

2. With respect to all pending applications set forth in Exhibit A that were filed on the basis of intent-to-use (the "Pending Marks"), the Parties agree that upon acceptance by the United States Patent and Trademark Office (USPTO) of evidence of use of the respective marks, the Pending Marks are hereby assigned to Assignee. Until such time as the USPTO has accepted evidence of use of the Pending Marks, the Pending Marks shall remain in the name of Assignor and be directly licensed from Assignor to any Franchisees.

3. Assignor represents and warrants as follows:

- (i) Assignor is the owner of the Marks;
- (ii) Assignor has all right, title and interest in the Marks;

- (iii) there are no liens or security interests against the Marks;
- (iv) Assignor has all authority necessary to enter into this Agreement and the execution and delivery of this Agreement has been duly and validly authorized; and
- (v) execution of this Assignment and performance of Assignor's obligations hereunder shall not violate or conflict with any other agreement to which Assignor is a party.

4. Assignor and Assignee acknowledge and agree that as a condition of Assignor's assignment of the Marks to Assignee, Assignor and Assignee shall enter into a Trademark License Agreement upon execution of this Agreement, granting Assignor the right to use and sublicense the right to use the Marks to Franchisees.

5. This Agreement represents the entire understanding between the Parties, and the terms of this Agreement supersede the terms of any prior or contemporaneous agreements or understandings, written or oral. This Agreement may not be amended except in writing signed by authorized representatives of the Parties.

6. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors, heirs, agents, representatives, shareholders, members, officers, directors, employees, permitted assigns, subsidiaries, parent companies, and predecessor or successor companies.

7. This Agreement shall be subject to and interpreted in accordance with the laws of the State of New York, and the Assignor consents to the exclusive personal jurisdiction of the state and federal courts located in New York, New York, if there is any dispute between them.

8. If any term or provision hereof, or its application to person or circumstance, shall to any extent be held to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each term or provision hereof shall be valid and enforced to the fullest extent permitted by law.

9. Failure by a party to enforce or exercise any right in this Agreement will not be construed as a present or future waiver of such right.

10. This Agreement may be executed in counterparts, each of which is an original, true and correct version hereof but both of which together shall constitute one and the same instrument.
