EXHIBIT E

ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks (this "Trademark Assignment") effective as of July 27, 2018 (the "Effective Date") is made by and among Codigo Entertainment, LLC, a Delaware limited liability company, Codigo Music, LLC, a Delaware limited liability company, Codigo Publishing, LLC, a Delaware limited liability company, Codigo Events, LLC, a Delaware limited liability company, Codigo Film & Television, LLC, a Delaware limited liability company, and Code Salsa, LLC, a Delaware limited liability company (individually and collectively, "Assignor"), on the one hand, and Concord Bicycle Assets, LLC, a Delaware limited liability company ("Assignee"), on the other hand. All capitalized terms used herein without definition shall have the meanings given to them in the Purchase Agreement (as defined below).

WHEREAS, pursuant to that certain Asset Purchase Agreement (the "Purchase Agreement") of even date herewith by and between Assignor and Assignee, Assignor has agreed to sell, convey, transfer, assign and deliver to Assignee, and Assignee wishes to accept, all of Assignor's right, title and interest in and to the Trademarks included in the Purchased Assets.

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Assignor hereby irrevocably sells, conveys, grants, assigns and delivers to Assignee and its successors and assigns, as of the Effective Date, One Hundred Percent (100%) of all of Assignor's right, title and interest in and to the following (collectively, the "Assigned Trademarks"):

(a) all Trademark registrations and applications owned by Assignor, including without limitation, those set forth on Schedule 5.8 annexed hereto, and all issuances, extensions, and renewals thereof;

(b) all unregistered Trademarks owned by Assignor;

(c) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(d) the goodwill connected with the use of, and symbolized by, the Trademarks owned by Assignor, and that part of Assignor's business connected with the use thereof and symbolized thereby; and

(e) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Assignee and to record Assignee as the assignee and owner of all of Assignor's rights in the Assigned Trademarks.

3. The rights, duties and obligations of the parties hereunder shall be cumulative and in addition to the rights, duties and obligations of the parties under the Purchase Agreement. Nothing herein shall be construed to limit the rights, duties and obligations of the parties under the Purchase Agreement or modify, vitiate or expand any of the terms and conditions thereunder. To the extent there is any conflict between any provisions of this Trademark Assignment and any provisions of the Purchase Agreement, the provisions of the Purchase Agreement shall control.

4. From time to time after the date hereof, without further consideration, Assignor hereby agrees to provide all assistance reasonably requested by Assignee in the recordation and enforcement of Assignee's rights in the Assigned Trademarks. Without limiting the foregoing, Assignor hereby further agrees to execute and deliver any other assignments, instruments, agreements, certificates, or other documents that Assignee, its successors or assigns deem reasonably necessary or appropriate to confirm, exploit or enforce the rights herein granted. In addition to, and without limiting the foregoing, Assignor grants to Assignee the authority to execute in the name of Assignor as Assignor's attorney-in-fact, further trademark assignments and other documents necessary or desirable to effectuate the assignment of the Assigned Trademarks to Assignee and to make appropriate disposition thereof in accordance with Section 10.1 of the Purchase Agreement, including, without limitation, filing and/or recording any such documents in appropriate governmental and/or administrative offices anywhere throughout the world; such power is coupled with Assignee's interest in the Assigned Trademarks and is irrevocable.

5. This Trademark Assignment shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of New York, without giving effect to the principles of conflicts of laws thereof.

6. All of the terms and provisions of this Trademark Assignment shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

7. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

8. If any part or provision of this Trademark Assignment is determined by a court of competent jurisdiction to be void, invalid or unenforceable, the remainder of this Trademark Assignment shall remain in full force and effect.

[Signature Page Follows]

IN WITNESS WHEREOF, each Assignor has executed this Assignment of Trademarks to be effective as of the date first above written.
