PATENT AND TRADEMARK SECURITY AGREEMENT

This Patent and Trademark Security Agreement (this "**Agreement**") is entered into as of August 20, 2018, by RAD URBAN INC., a Delaware corporation ("**Debtor**"), in favor of INNOVATUS FLAGSHIP FUND I, LP, a Delaware limited partnership ("**Administrative Agent**").

RECITALS:

A. Pursuant to that Loan Agreement (the "**Loan Agreement**") dated as of the date hereof by and among Debtor, the Guarantors named therein, the Lenders named therein, and Administrative Agent, Lenders have agreed to extend credit to Debtor on certain terms and conditions (capitalized terms not otherwise defined herein have the meanings provided in the Loan Agreement).

B. Debtor has granted to Administrative Agent a security interest in all of its intellectual property pursuant to that Intellectual Property Security Agreement dated as of the date hereof among Debtor, Administrative Agent, and the other parties thereto (as it may be amended or restated, the "**IP Security Agreement**").

C. Debtor wishes to execute this Agreement to supplement the terms of the IP Security Agreement and to place of record Debtor's grant of a security interest to Administrative Agent in Debtor's patents, patent applications, and trademarks registered in the United States.

AGREEMENT:

NOW THEREFORE, as an inducement to cause Administrative Agent to extend credit to Debtor, and for other valuable consideration, the receipt and sufficiency of which are acknowledged, it is agreed as follows:

1. **UCC Security Interest in Registered Intellectual Propty.** As security for the Obligations, Debtor hereby grants to Administrative Agent a security interest in the patents, patent applications, and trademark registrations described in Schedule A hereto and of record with the United States Patent and Trademark Office (the "**USPTO**").

2. **Recordation.** Debtor hereby authorizes Administrative Agent to record this Agreement with the USPTO.

3. **Other Agreements.** This Agreement is executed to supplement and further evidence the security interest granted to Administrative Agent under the IP Security Agreement. The rights and remedies of Administrative Agent with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement, the IP Security Agreement, and the other Loan Documents, and those which are now or hereafter available to Administrative Agent as a matter of law or equity.

This Patent and Trademark Security Agreement is dated as of the date first written above.
