## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this "Agreement") is entered into as of August 28, 2018 (the "Effective Date") by and among ORIX GROWTH CAPITAL, LLC, a Delaware limited liability company ("Lender"), BOLSTER.US, INC., a Delaware corporation ("BolsterUS"), GUARDIAN SMALL BUSINESS CONSULTING AND FINANCIAL SERVICES LLC, an Idaho limited liability company, CURTIS KINDRED, INC., a Texas corporation doing business as American Defense System ("ADS"), and SERVIC.COM, INC., a California corporation ("Serviz"; BolsterUS, Guardian, ADS, and Serviz, each, individually, a "Grantor" and, collectively "Grantors").

### RECITALS

A. Grantors, certain affiliates of Grantors (together with Grantors, collectively, "Borrowers"), and Lender are parties to a certain Loan and Security Agreement dated September 1, 2017 (as the same may be amended, modified or supplemented from time to time, the "Loan Agreement"; capitalized terms used herein are used as defined in the Loan Agreement), pursuant to which Lender extended certain financial accommodations to Borrowers.

B. Pursuant to (i) that certain Joinder, Waiver and Second Amendment to Loan and Security Agreement dated as of January 5, 2018, among BolsterUS, the other Borrowers (other than Guardian, ADS and Serviz) and Lender, (ii) that certain Joinder Agreement dated as of July 2, 2018, among Guardian, the other Borrowers (other than ADS and Serviz) and Lender, and (iii) that certain Joinder Agreement dated as of August 28, 2018, among ADS, Serviz, the other Borrowers and Lender, BolsterUS, Guardian, and ADS and Serviz, respectively, joined the Loan Agreement and the other Loan Documents as a "Borrower" thereunder and granted to Lender a security interest in all of such Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral. The Collateral includes without limitation all Intellectual Property (including without limitation the Intellectual Property described herein).

C. A condition to Lender's continued extension of financial accommodations to Borrowers is that each Grantor execute and deliver this Agreement to further grant to Lender a security interest in all of such Grantor's Intellectual Property to secure the obligations of the Grantors under the Loan Agreement.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Loan Agreement, each Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

1. To further evidence the security interest granted under the Loan Agreement and the other Loan Documents, each Grantor grants and pledges to Lender a security interest in all of such Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those copyrights, patents, trademarks and maskworks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof. Notwithstanding the foregoing, the Collateral shall not include "intent-to-use" trademarks at all times prior to the first use thereof, whether by the actual use thereof in commerce, the recording of a statement of use with the United States Patent and Trademark Office or otherwise, but only to the extent the granting of a security interest in such "intent-to-use" trademarks would be contrary to applicable law.
2. Each Grantor represents and warrants that as of the Effective Date (i) listed on Schedule A are all copyrights, software, computer programs, maskworks, and other works of authorship owned or controlled by such Grantor which are registered with the United States Copyright Office, (ii) listed on Schedule B hereto are all trademark registrations and pending registrations owned or controlled by such

Grantor, and (iii) listed on Schedule C are all patents and patent applications owned or controlled by such Grantor.

3. Grantors shall not, hereafter, register any maskworks, software, computer programs or other works of authorship subject to United States copyright protection with the United States Copyright Office without first complying with the following: (i) providing the Lender with at least five (5) days prior written notice thereof, (ii) providing Lender with a copy of the application for any such registration and (iii) executing and filing such other instruments, and taking such further actions, as the Lender may reasonably request from time to time to perfect or continue the perfection of Lender's interest in the Collateral, including without limitation the filing with the United States Copyright Office, simultaneously with the filing by such Grantor of the application for any such registration, of a copy of this Agreement or a Supplement hereto in form acceptable to the Lender identifying the maskworks, software, computer programs or other works of authorship being registered and confirming the grant of a security interest therein in favor of Lender.
4. The security interest granted herein is granted in conjunction with the security interest granted to the Lender under the Loan Agreement and the other Loan Documents. The rights and remedies of the Lender with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Loan Documents, and those which are now or hereafter available to the Lender as a matter of law or equity. Each right, power and remedy of the Lender provided for herein or in the Loan Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity, shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein, and the exercise by Lender of any one or more of the rights, powers or remedies provided for in this Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Lender, of any or all other rights, powers or remedies.
5. This Agreement may not be modified or amended, nor may any rights hereunder be waived, except in a writing signed by the parties hereto. This Agreement and all acts, transactions, disputes and controversies arising hereunder or relating hereto, and all rights and obligations of the Lender and the Grantors, shall be governed by, and construed in accordance with, the internal laws of the State of New York without regard to conflict of laws principles, provided that the Lender shall retain all rights arising under Federal law.

[Remainder of page intentionally left blank; signature page follows]

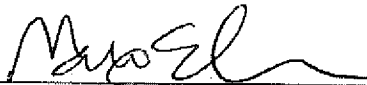

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
