**TRADEMARK AND DOMAIN NAME ASSIGNMENT**

This TRADEMARK AND DOMAIN NAME ASSIGNMENT (this “Assignment”), effective May 4, 2018, by and between NPI Medical, Inc., a Delaware corporation (the “Assignee”) and Ansonia Plastics, LLC d/b/a NPI Medical, a Connecticut limited liability company (the “Assignor”).

**WHEREAS**, Assignor and Assignee are parties to that certain Asset Purchase Agreement entered into as of the date hereof (the “Purchase Agreement”), pursuant to which the Assignor agreed to sell and assign, and Assignee agreed to purchase and acquire, certain domain names, trademarks, service marks, trade names, logos, designs, symbols, trade dress or other source indicators associated therewith, any fictitious names, d/b/a’s or similar filings related thereto, or any variant of any of them, all business goodwill associated therewith and any applications therefor or registrations thereof, together with all remedies against infringement and rights to protect interests therein in accordance with the terms of the Purchase Agreement;

**WHEREAS**, Assignor owns all rights in the trademark(s) set forth on Exhibit A (the “Marks”), the goodwill associated with the Marks, and all rights in the domain names set forth on Exhibit B (the “Domains”); and

**WHEREAS**, Assignor desires to assign to Assignee any and all of their right, title, and interest in and to the Marks, the goodwill associated with the Marks, and the Domains.

**NOW, THEREFORE**, in consideration of the foregoing premises and the mutual covenants contained herein, Assignor does hereby sell, assign, and transfer to Assignee any and all of such Assignor’s right, title, and interest in and to the Marks, the Domains, all business goodwill associated therewith and any applications therefor or registrations thereof, and any and all past, present, and future rights to sue and recover for past infringement of the Marks and Domains, as fully and completely as permitted by law, it being the intention of the parties that Assignee shall acquire all rights in and to the Marks and Domains.

Upon Assignee’s request, and at Assignee’s expense, Assignor will promptly take such other actions as may be reasonably necessary to vest, secure, perfect, protect or enforce the rights and interests of the Assignee in, to and under the Marks and Domains. Such actions shall include, without limitation, the prompt execution and delivery of documents in recordable form (including the prompt execution and delivery of (i) additional confirmatory assignments, including those required for any other trademark office in other applicable jurisdictions, and including those required by the U.S. Patent & Trademark Office to correct online assignment records, assignment records or a chain of assignment and (ii) any and all transfer codes from the domain host or hosts necessary for such transfer) and the provision of documents and information useful or necessary for Assignee or its affiliates, designees or agents to file, prosecute or maintain any registrations of the Marks or Domains, or pursue or defend any administrative, court, or other legal proceeding involving ownership or usage of the Marks or Domains.

Assignor represents and covenants that no assignment, license, or encumbrance has been or will be made that would conflict with this Assignment.

Assignor represents and covenants that no consents of any other parties are necessary or appropriate under any agreements concerning the Marks, the goodwill associated with the marks, or Domains in order for this Assignment to be binding.

Any and all terms not defined in this Assignment shall have the meanings assigned to them in the Purchase Agreement.
