Office of the Deputy Commissioner for
Trademark Examination Policy

Re: Request for Removal of Recorded Documents From Association
With Owner's Properties Pursuant to TMEP Section 503.06(c)
Documents Recorded at Reel 6140, Frames 451-456

Dear Deputy Commissioner:

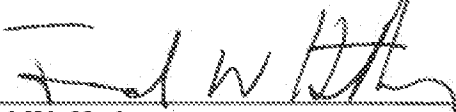

Pursuant at TMEP §503.06(c), trademark property owner Michelin North America, Inc. submits the attached consented to request to remove an erroneous, improper assignment by disassociating it from Michelin's three trademark applications and registrations that are identified in the recorded documents.

The specific details of the trademarks, circumstances and recorded document are set forth in the attached document which has been expressly consented to by all three involved parties, namely, the original and actual still current trademark owner Michelin North America, Inc., and the two parties named as assignor and assignee in the chain-of-title-breaking recorded erroneous assignment.

Further and favorable action is respectfully requested.

Respectfully submitted,

MICHELIN NORTH AMERICA, INC.

Fred W. Hathaway
Attorney for Michelin North America, Inc.

DC 338210-1058 355835v1

**CONSENTED TO REQUEST TO REMOVE RECORDED ASSIGNMENT FROM
ASSOCIATION WITH DESIGNATED TRADEMARKS DUE TO TYPOGRAPHICAL
ERRORS**

Michelin North America, Inc. respectfully requests that the assignment document recorded on August 29, 2017 beginning at Reel 006140, Frame 0451 and ending at Frame 0456 (copy attached) be electronically removed and fully disassociated from the three marks identified in that assignment, namely the following:

Mark	Registration No.	Serial No.
BFGOODRICH	1,376,883	73/539,563
RIKEN	1,406,644	73/477,586
COACH CONTROL	(Pending)	87/097,423

The reasons for this request are as follows: 1) The recorded document reflects typographical errors that caused the recordation to be made against the above marks by mistake; 2) The errors and the filing *both* were made by an entity other than the true and record owner of the above marks, Michelin North America, Inc., and thus the filer did not have proper chain of title; and 3) As evidenced by the signatures to this document, there is no dispute as to correct and proper current ownership of the marks, namely, Michelin North America, Inc., the owner of record prior to the recordation of the mistaken document. TMEP §503.06(c).

In addition to being drafted and recorded in error, the recorded document also represents a clear break in the chain of title of the above marks and therefore is ineffective in transferring any rights. The record and the underlying facts set forth here both show that the listed assignor had no rights in these marks to convey to begin with. The recorded document's continued presence in association with those marks will cause unnecessary confusion and difficulties during the maintenance and prosecution of the three marks.

All three parties involved with these marks hereby expressly agree and consent to the full removal and dis-association of all references of the attached purported assignment document to Michelin North America, Inc.'s three marks identified in the assignment. There is no dispute that Michelin North America, Inc. is the current and actual owner of the marks and that the official records should reflect that fact. The three involved entities are: 1) Michelin North America, Inc. ("MNA"), the prior owner of record and current actual owner of the marks in that the recorded assignment is from a party with no rights in the marks to begin with; 2) Michelin Recherché et Technique SA ("MRT"), the alleged assignor in the assignment at issue; and 3)

Compagnie General des Établissements Michelin ("CGEM"), the purported assignee of the marks.

MNA, MRT, and CGEM are part of the Michelin group of companies ("Group") and those companies are in the process of completing assignments worldwide in several dozens of countries and jurisdictions of thousands of patents, trademarks and copyrights held within the Group. Those thousands of assets are being transferred from and to certain entities within the Group in order to realign ownership with the countries and Group assets that respective Group entities are operating in and using now and going forward.

Neither MRT nor CGEM own or will own any US trademarks from this realignment, nor have they for the past eleven years. Similarly, MNA only owns trademarks in the US. These operational and asset ownership divisions within the Group are not changing during this worldwide assignment process; however, other allocations and divisions of the business, the Group's assets, and resources are changing.

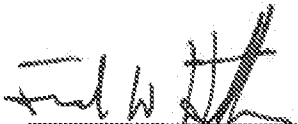

The Group's worldwide assignment project is primarily being carried out by CPA Global. Among the many hundreds of separate instructions regarding patent, trademark and copyright assignment from the Group to CPA Global pertaining to many dozens of countries, the assignment at issue was intended to apply to intellectual property assets in another country; however, by typographical error the US was designated by mistake. That typographical country designation error resulted in CPA Global's creation of the assignment document that purported to assign three marks from MRT to CGEM when in fact MRT had no rights in the US to convey.

MNA remains the actual, true, in-fact owner of the three US marks and it is respectfully requested that the Trademark Office records be adjusted such that any reference to the improper recording be removed from and no longer associated with MNA's property so that the records reflect MNA as the current owner of record.
