TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment Agreement") is made and entered into as of August 29, 2018 (the "Effective Date"), by and between AmeriGas Propane, L.P., a Delaware limited partnership ("Assignor"), and Horizon Services, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, the Assignor is the owner of the marks set forth on Schedule I hereto (the "Marks"), and the goodwill associated with the Marks, and desires to assign all of Assignor's right, title, and interest in and to the Marks along with the associated goodwill to the Assignee; and

WHEREAS, Assignee wishes to obtain the Marks, including all of Assignor's right, title, and interest in and to the Mark and its associated goodwill.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Assignor hereby sells, conveys, transfers, assigns and delivers to Assignee, and Assignee hereby acquires, and accepts from Assignor, all of Assignor's right, title, and interest in, to, and under the Marks, including all goodwill associated therewith and all rights of action and remedies for past, present, and future infringements of any of the Marks, in each case, free and clear of all liens, the same to be held and fully enjoyed by Assignee, its successors, assigns and other legal representatives.
2. Assignor shall execute and deliver any and all instruments and documents and take such further actions as may be necessary or reasonably requested by Assignee to document and record with the appropriate authorities the aforesaid assignment and transfer of the Marks.
3. Assignor hereby authorizes and requests the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions, as applicable, and any other applicable governmental authority, to issue or transfer the Marks to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct. Assignee shall have the right to record this Assignment Agreement with all applicable government authorities so as to perfect its ownership of the Marks.
4. This Assignment Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Signature page follows]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the date first written above.
