PATENT AND TRADEMARK ASSIGNMENT

WHEREAS, Hines Growers, Inc., 27368 Via Industria, Suite 201, Temecula, California 92590 (hereinafter "Assignor"), is the owner of the patents and patent applications set forth on Schedule A hereto and the trademarks and corresponding U.S. trademark registrations set forth on Schedule B hereto.

WHEREAS, TSH Opco, LLC, a California limited liability company, 5151 Mitchelldale Street, Suite B2, Houston, TX 77092 ("Assignee") wishes to acquire all of Assignor's right, title, interest and all of the business associated with the aforementioned patents, patent applications, marks and trademark registrations;

WHEREAS, Assignor desires to transfer, assign, convey and deliver to Assignee all of Assignor's right, title and interest in, to and under the patents and patent applications shown on Schedule A hereto, and the inventions and improvements disclosed in the aforesaid patents and patent applications, including without limitation all of Assignor's interest in and to confirmations, divisions, renewals, extensions, reissues, continuations, continuations-in-part, substitutes, amendments and modifications (including reexamination amendments), certificates and utility models (all of the aforesaid patents, patent applications, inventions and improvements being hereinafter collectively referred to as the "Patents");

WHEREAS, Assignor further desires to transfer, assign, convey and deliver to Assignee all of Assignor's right, title, and interest in, to and under the marks and trademark registrations shown on Schedule B hereto, along with all goodwill and business associated with same (all of the aforesaid marks and trademark registrations being hereinafter collectively referred to as the "Trademarks");

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers and conveys over to Assignee, effective upon execution, the entire right, title and interest in, to and under the Patents and the Trademarks to be held and enjoyed by the Assignee in the United States and throughout the world, all causes of action for any and all past infringements or other violations of the rights being assigned, and the right to collect and retain any proceeds therefrom, its successors, assigns and other legal representatives. This assignment shall bind the parties, their successors and/or assigns, and all others acting by, through, with or under their direction, and all those in privity therewith.

Assignor shall from time to time, from and after the date hereof, do, make, execute or deliver, or cause to be done, made, executed or delivered, all such further acts, documents, assurances and things as the other may reasonably require from time to time for the purpose of giving effect to any of the provisions of this assignment and the transactions contemplated hereby.

This assignment may be executed in separate counterparts, each of which will be an original and all of which taken together shall constitute one and the same agreement, and any party hereto may execute this assignment by signing any such counterpart.
