## GRANT OF A SECURITY INTEREST -- TRADEMARKS

This Trade-mark Security Agreement (this "Trade-mark Security Agreement") is made as of September 18, 2018, by ANCHOR DANLY INC. ("Grantor"), in favor of SJC DLF III-H, LLC, in its capacity as collateral agent for the Secured Parties (together with its successors and assigns in such capacity, "Grantee").

WHEREAS, Grantor owns the trade-marks and service marks listed on the attached Schedule A, which Trade-marks and service marks are registered or applied for in the United States Patent and Trade-mark Office/Canadian Intellectual Property Office (the "Trade-marks");

WHEREAS, the Grantor has entered into a Pledge and Security Agreement, dated September 18, 2018 (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Security Agreement"), in favor of Agent, as the Collateral Agent for itself and the Lenders

WHEREAS, pursuant to the Security Agreement, the Grantor has granted to the Grantee for the benefit of the Secured Parties (each such term as defined in the Security Agreement), a continuing security interest in all Trade-marks, together with all goodwill associated therewith and symbolized thereby, but excluding any intent-to-use trade-mark applications to the extent and for so long as creation by a Grantor of a security interest therein would result in the abandonment, cancellation, invalidation or unenforceability thereof and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action arising out of or relating to any infringement thereof and any and rights to recover from past, present and future violations thereof (the "IP Collateral"), as collateral security for the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement).

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby pledges and grants to the Grantee, for the benefit of the Secured Parties, a continuing security interest in the IP Collateral (other than, to the extent provided in the Security Agreement, any Excluded Property).

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

This Trade-mark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

In the event of any conflict between this Trade-mark Security Agreement and the Security Agreement, the terms of the Security Agreement shall control.

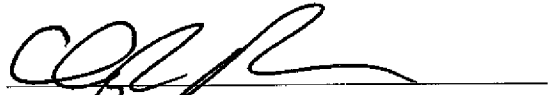

This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the province of Ontario and the federal laws of Canada applicable therein.

*[Remainder of page intentionally left blank; signature page follows.]*

IN WITNESS WHEREOF, the Grantor has caused this Trade-mark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first set forth above.
