TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Trademark Assignment") is made as of August 31, 2018, by Xstriva, LLC, a Colorado limited liability company ("Assignor"), in favor of Vantage Specialties, Inc., a Delaware corporation ("Assignee").

WHEREAS, pursuant to the Asset Purchase Agreement (as amended from time to time, the "Purchase Agreement"), dated as of August 31, 2018, by and among the Assignee, the Assignor, and the Members (as defined therein), Assignor has agreed to assign, transfer, deliver and convey to Assignee, and Assignee has agreed to receive from Assignor, all right, title and interest of every kind and nature in and to the trademarks and trade names listed on Schedule A hereto (including all associated goodwill represented by such trademarks and trade names) (collectively, the "Trademarks"); and

WHEREAS, the parties hereto desire to effect the consummation of the assignment, transfer, delivery and conveyance to the Assignee of the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and pursuant to the terms and conditions of the Purchase Agreement, the Assignor does hereby agree with the Assignee as follows:

1. Capitalized terms used but not defined herein have the meanings set forth in the Purchase Agreement.

2. Assignor hereby irrevocably sells, assigns, transfers and sets over to Assignee all rights, title and interests in and to the Trademarks, including all common law rights, together with the goodwill of the Acquired Assets in connection with which the Trademarks are used, and all registrations and applications therefor and renewals and extensions of the foregoing in the United States and for all foreign countries that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties or payments due or payable as of the Closing Date or thereafter related to any of the foregoing, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

3. Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as owner of the Trademarks and register any and all trademarks granted thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee and its successors, assigns or other legal representatives.

4. This Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.
