## TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is made and entered into this 26 day of September 2018, by and between Civitas Therapeutics, Inc. ("Assignor") and Acorda Therapeutics, Inc. ("Assignee").

WHEREAS, Assignor owns all right, title and interest in and to the ARCUS trademark for pharmaceutical and biological goods and services, including United States trademark registration number 4217046 / serial number 85529823 (the "Trademarks");

WHEREAS, Assignor desires to assign to Assignee all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks.

NOW THEREFORE, in consideration of the mutual covenants set forth herein, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties hereby represent, covenant and agree as follows:

1. Assignment. Assignor does hereby irrevocably assign, transfer, convey, grant and set over unto Assignee, Assignor's entire right, title, and interest that exists today or may exist in the future, in, to and under the Trademarks, together with the goodwill of the business symbolized by the Trademarks. The Trademarks shall be held and enjoyed by Assignee for its own use and benefit, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made, including all benefits, privileges, causes of action and remedies relating to, or otherwise derived from, such Trademarks, including the right to any damages accrued for infringement of the Trademarks prior to the date of this Assignment.

2. Acceptance of Assignment. Assignee hereby receives and accepts the assignment, transfer, conveyance, grant and set over of the right, title and interest hereby assigned, transferred, conveyed and set over to it herein from Assignor. Assignor acknowledges and agrees that, as a result of the assignment, transfer, conveyance, grant and set over set forth herein, Assignee is the owner of all right, title and interest in and to the Trademarks in any form or embodiment thereof and is also the owner of the goodwill of the business symbolized by the Trademarks.

3. Further Assurances. Assignor will, at any time upon request, without further or additional consideration, but at the expense of Assignee, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such additional instruments, notices, releases, certificates, powers of attorney, assurances, bills of sale, and other documents and do all such further acts, assignments, transfers and other things as Assignee may deem necessary or desirable to transfer to Assignee the Trademarks and the goodwill appurtenant to the Trademarks, to vest and confirm in Assignee the legal title to the Trademarks, and to perfect Assignee's enjoyment of this grant. Assignor shall render all necessary assistance in making applications for any trademarks or extensions thereof, whether in the U.S. or any foreign country, for such

Trademarks, and in enforcing any rights or causes of action accruing in connection with any Trademarks, by giving testimony in any and all proceedings or transactions involving such Trademarks, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the successors, assigns and legal representatives of Assignor and Assignee. The undersigned requests that any registrations that may be granted for such Trademarks be granted to Assignee as the owner of the entire right, title and interest in and to such Trademarks.

4. Recordation. Assignor hereby consents to and requests and authorizes the United States Patent and Trademark Office or any other governmental office or agency in each jurisdiction other than the United States to record this Assignment and to issue any and all trademark registration or other documents which may be granted upon any of the Trademarks in the name of Assignee, as the Assignee to the entire interest therein. Assignee shall have the right to file trademark applications for the Trademarks in any country.

5. Amendments and Waiver. No modification, waiver or amendment of this Assignment shall be binding unless executed in writing by the parties hereto. No waiver of any of the provisions of this Assignment shall be deemed or shall constitute a waiver of any other provision hereof unless otherwise expressly provided.

6. Binding Effect. This Assignment shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto.

7. Governing Law. This Assignment and all matters relating thereto and arising therefrom shall be governed by, administered under and construed in accordance with the laws of the State of New York, and the trademark laws of the United States, without reference to provisions of conflicts of laws

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed.
