TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of September 28, 2018, is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of Antares Capital LP (“Antares Capital”), as administrative agent (in such capacity, together with its successors and permitted assigns, the “Agent”) for the Lenders and the L/C Issuers (as defined in the Credit Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of December 29, 2017 (as amended, restated, supplemented or otherwise modified from time to time, including, without limitation, on the date hereof by that certain First Amendment to Credit Agreement (the “First Amendment”), and as may be further amended, restated, supplemented or otherwise modified from time to time, collectively, the “Credit Agreement”), among Hoskin & Muir, Inc., HMIC Holding Company, the other Credit Parties party thereto, the Lenders and the L/C Issuers from time to time party thereto and Antares Capital, as Agent for the Lenders and the L/C Issuers, the Lenders and the L/C Issuers have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has agreed, pursuant to a Guaranty and Security Agreement dated as of December 29, 2017, in favor of the Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Guaranty and Security Agreement”), to guarantee the Obligations (as defined in the Credit Agreement) of each Borrower; and

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuers and the Agent to enter into the Credit Agreement and to induce the Lenders and the L/C Issuers to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to the Agent for the benefit of the Secured Parties, and grants to the Agent for the benefit of the Secured Parties a Lien

on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

(a) all of its Trademarks and all IP Licenses providing for the grant by or to such Grantor of any right under any Trademark, including, without limitation, those Trademark registrations and applications referred to on Schedule 1 hereto; provided, however that no Lien on and security interest is granted on any "intent to use" Trademark applications for which a statement of use has not been filed and accepted by the United States Patent and Trademark Office; provided, further, that upon such filing and acceptance by the United States Patent and Trademark Office, such "intent to use" Trademark applications shall be included in the Trademark Collateral and automatically subject to the Lien and security interest granted herein;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding the foregoing Trademark Collateral shall not include any Excluded Property.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict or inconsistency between the Guaranty and Security Agreement and this Trademark Security Agreement, the applicable terms and provisions of the Guaranty and Security Agreement shall control.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts,

each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

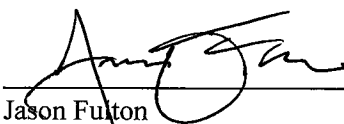

Section 7. Release and Termination. At the time provided in subsection 8.10(b)(iii) of the Credit Agreement or upon the occurrence of an event expressly permitted by, or provided for, in the Credit Agreement or the Guaranty and Security Agreement that would result in the release of all or a portion of the Trademark Collateral, all or such applicable portion of the Trademark Collateral shall be automatically released from the Lien created hereby and this agreement and all obligations (other than those expressly stated to survive such termination) of the Agent and each Grantor hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Trademark Collateral shall revert to the Grantors. At the request of any Grantor following any such termination, the Agent shall execute and deliver to such Grantor such documents as such Grantor reasonably requests to evidence such termination at the sole cost and expense of Grantor.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

WGM ACQUISITION, INC., as Grantor
