TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Trademark Assignment") is made as of the 1st day of October, 2018, by **Spillman Company**, an Ohio corporation ("Spillman"), in favor of **NHMF, LLC**, a Missouri limited liability company ("Buyer").

WHEREAS, Buyer and Spillman are parties to an Asset Contribution and Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which Buyer is acquiring certain assets of Spillman, including the U.S. trademark registrations listed on Exhibit A (the "Trademarks"). Capitalized terms used in this Trademark Assignment without definition have the respective meanings ascribed to them in the Purchase Agreement.

In consideration of these premises, the mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto hereby agree as follows:

1. Assignment of Trademarks. Spillman hereby sells, conveys, assigns, transfers and delivers to Buyer, and its successors and assigns forever, the entire right, title and interest in and to the Trademarks, together with the goodwill of Spillman's business associated therewith, and the right to sue for, and recover for, any past, present and future infringements thereof, to be held and enjoyed by Buyer, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Spillman had no assignment of said Trademarks been made.

2. Purchase Agreement. This Trademark Assignment is executed and delivered pursuant to the Purchase Agreement, and reference to the Purchase Agreement is hereby made for a complete description of the terms on which the Trademarks are being transferred. In the event of any conflict between the terms of this Trademark Assignment and the Purchase Agreement, the terms of the Purchase Agreement shall control. This Trademark Assignment is made on the terms and subject to the conditions of the Purchase Agreement. Nothing contained herein shall be deemed to alter, modify, expand or diminish the terms and provisions of the Purchase Agreement.

3. Recordation and Further Assurances. Spillman hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and/or the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Buyer. From and after the date hereof, Spillman shall, upon the request and the expense (if any) of Buyer, execute, deliver and perform, as applicable, all such further acts, assurances, assignments, transfers, conveyances, powers of attorney and other instruments and papers as may be reasonably requested by Buyer to secure and enforce the title and rights granted by Spillman to Buyer hereunder.

4. Miscellaneous. This Trademark Assignment may be executed in any number of counterparts, each of which shall be deemed an original, and all of which together shall be deemed to be one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment

[Signature page follows.]

IN WITNESS WHEREOF, Spillman has caused this Trademark Assignment to be executed by its duly authorized representative as of the day and year first written above.
