TERMINATION AND RELEASE OF SUPPLEMENTAL SECURITY INTEREST IN INTELLECTUAL PROPERTY

THIS TERMINATION AND RELEASE OF SUPPLEMENTAL SECURITY INTEREST IN INTELLECTUAL PROPERTY is made as of October 4, 2018 in favor of TravelClick, Inc. ("Grantor"), by Credit Suisse AG, Cayman Islands Branch, as collateral agent for the Secured Parties ("Collateral Agent"). Capitalized terms not defined herein shall have the meanings ascribed to them in the Intellectual Property Security Agreement Supplement (as defined below), or if not defined therein, in the Security Agreement (as defined below).

WHEREAS, pursuant to that certain Security Agreement, dated as of May 6, 2014, by and among the Grantor, the other grantors thereto, and the Collateral Agent (as may have been amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), Grantor had agreed to execute the Intellectual Property Security Agreement Supplement, dated as of April 4, 2018, between Grantor and the Collateral Agent (the "Intellectual Property Security Agreement Supplement") for recording with the United States Patent and Trademark Office and the United States Copyright Office;

WHEREAS, pursuant to the Security Agreement and the Intellectual Property Security Agreement Supplement, Grantor granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of Grantor's right, title and interest in and to the following, except to the extent any applicable law, regulation or agreement with a domain name registrar prohibited the creation of a security interest therein or would otherwise invalidate any Grantor's right, title or interest therein: (i) the patents and patent applications set forth in Schedule A hereto, (ii) the trademark and service mark registrations and applications set forth in Schedule B hereto, together with the goodwill symbolized thereby, (iii) the copyright registrations and applications set forth in Schedule C hereto, (iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kinds whatsoever of such Grantor accruing thereunder or pertaining thereto, (v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages, and (vi) any and all proceeds of, collateral for, income, royalties and other payments then or thereafter due and payable with respect to, and supporting obligations relating to, any and all of the foregoing or arising from any of the foregoing; (collectively, the "IP Collateral");

WHEREAS, the Intellectual Property Security Agreement Supplement was recorded with the United States Patent and Trademark Office on April 16, 2018 at Reel/Frame 045553/0150 (with respect to patents) and at Reel/Frame 6342/0569 (with respect to trademarks), and was submitted for recordation at the United States Copyright Office on April 20, 2018 (with respect to copyrights);

WHEREAS, the Collateral Agent wishes to release its security interest in the IP Collateral and reassign to Grantor any right, title or interest that the Collateral Agent may have in and to such IP Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent hereby terminates the Intellectual Property Security Agreement Supplement and hereby terminates, cancels and releases its security interest in the IP Collateral, and reassigns to Grantor any right, title or interest it may have in and to the IP Collateral.

[Signatures on Following Page]

IN WITNESS WHEREOF, Collateral Agent has caused this Termination and Release of Supplemental Security Interest in Intellectual Property to be executed by its duly authorized representative as of the date first written above.
