Trademark Assignment

THIS TRADEMARK ASSIGNMENT (this "**Trademark Assignment**") is made and entered into this 31st day of December 2015, by and between Absopure Water Company, Inc., a Michigan corporation ("**Assignor**"), and Absopure Direct LLC, a Michigan limited liability, and wholly-owned subsidiary of Assignor ("**Assignee**"). Capitalized terms not otherwise defined herein, have the meanings specified in that certain Assignment, Assumption Agreement and Bill of Sale of even date herewith between Assignor and Assignee.

RECITALS

A. Concurrent with the execution hereof, Assignor has assigned, conveyed and transferred to Assignee all of its right, title and interest in and to the Assigned IP including the registered trademarks and trademark applications listed on **Schedule 1** attached hereto (the "**Assigned Trademarks**"), together with the goodwill associated with or otherwise symbolized by the Assigned Trademarks.

B. In connection with the assignment of the Assigned IP from Assignor to Assignee, the parties wish to execute this Trademark Assignment for purposes of: (1) evidencing the transfer of the Assigned Trademarks to Assignee and (2) recording the assignment and transfer of the Assigned Trademarks from Assignor to Assignee with the relevant United States governmental agency, including the United States Patent and Trademark Office, and all applicable foreign intellectual property offices, as may be necessary or desirable to effectuate, record and perfect the assignment and transfer of the Assigned Trademarks from Assignor to Assignee.

NOW, THEREFORE, in consideration of the promises and the mutual representations, warranties, covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby assigns, conveys and transfers to Assignee all of its right, title and interest in and to (i) the Assigned Trademarks, (ii) the trademark registrations and applications for registration of trademarks for the Assigned Trademarks listed on **Schedule A** attached hereto, (iii) the goodwill of Assignor's business associated with or otherwise symbolized by the Assigned Trademarks, and (iv) the right to sue and recover for, and the right to the profits or damages due or accrued arising out of or in connection with any and all past, present or future infringements or passing off or dilution of or damage or injury to such Assigned Trademarks.

2. Acknowledgement. Assignor acknowledges and agrees that from and after the date hereof, Assignee shall be the exclusive owner of all of Assignor's right, title and interest in and to the Assigned Trademarks.

3. Further Assurances. Assignor shall, at Assignee's reasonable request, take such further action and execute such additional agreements and instruments as may be necessary to effect and perfect the assignment contemplated hereby.

4. Counterparts. This Assignment may be executed in several counterparts, each of which shall be deemed an original, and all such counterparts together shall constitute one and the same instrument and shall become a binding agreement when one or more counterparts have been signed by each of the parties and delivered to the other. Delivery of an executed counterpart of this Assignment by facsimile, .pdf, .tif, .gif, .jpg or similar image (any such delivery, an "**Electronic Delivery**") sent via electronic mail shall be equally as effective and binding as delivery of an executed original counterpart and shall constitute a covenant to deliver an executed original counterpart, but the failure to do so shall not affect the validity, enforceability and binding effect of this Agreement. No party hereto shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract, and each such party forever waives any such defense.

5. **Governing Law/Venue.** This Assignment shall be governed by and construed in accordance with the laws of the State of Michigan without regard to Michigan's conflict of laws' provisions. Each party to this Assignment shall bring any suit, action or proceeding in respect of any claim arising out of or related to this Assignment or the transactions contemplated hereby, whether in tort or contract or at law or in equity, exclusively in the federal or state court located in the State of Michigan (any such court, a "**Chosen Court**"). Each party hereby: (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives, to the fullest extent permitted by applicable law, any objection to laying venue in the Chosen Courts, and (iii) waives any objection that any Chosen Court is an inconvenient forum or does not have personal jurisdiction over any party.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly authorized and executed as of the 31st day of December, 2015.
