## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "**Assignment**") is effective as of July 31, 2018 (the "**Effective Date**"), by and between Pro Performance Sports, LLC, a Delaware limited liability company located and doing business at 2081 Faraday Avenue, Carlsbad, California, 92011 (the "**Seller**") and Implus Footcare, LLC, a Delaware limited liability company located and doing business at 2001 TW Alexander Drive, Box 13925, Durham, North Carolina, 27709 (the "**Buyer**"). Capitalized terms used herein that are defined in the Asset Purchase Agreement (as defined below) shall have the meanings ascribed to them in the Asset Purchase Agreement unless otherwise defined herein.

WHEREAS, Buyer and Seller are parties to that certain Asset Purchase Agreement dated as of July 31, 2018 (the "**Asset Purchase Agreement**");

WHEREAS, Seller is the owner of the patents, patent applications, trademark registrations, trademark applications, and domain names listed on the attached Schedule A (hereinafter collectively referred to as the "**Intellectual Property**"); and

WHEREAS, pursuant to the Asset Purchase Agreement, Seller has agreed to transfer and assign all of its rights, title and interests in and to all Intellectual Property to Buyer, and Buyer has agreed to accept such transfer and assignment as set forth in the Asset Purchase Agreement;

NOW, THEREFORE, pursuant to the Asset Purchase Agreement and in consideration of the above premises, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Assignment and Assumption. Seller hereby assigns and transfers to Buyer, and Buyer hereby accepts and assumes, all of Seller's rights, title and interests in and to the Intellectual Property, free and clear of any Encumbrances except Permitted Encumbrances in accordance with the terms of the Asset Purchase Agreement. Seller further assigns and transfers to Buyer all of the goodwill associated with the Intellectual Property, as well as any and all common law rights associated therewith. With respect to applications filed in the United States Patent and Trademark Office on the basis of the applicant's intent to use such marks in interstate commerce, such applications are being assigned to the successor to the ongoing and existing business of the applicant or portion thereof to which such marks pertain.

2. Recordation. Seller hereby requests the U.S. Patent and Trademark Office and the patent and trademark offices of any other jurisdictions covered by the Intellectual Property to record this Assignment and to issue all registrations and renewals for the Intellectual Property to Buyer in accordance with the terms of this Assignment.

3. Further Assurances. From time to time after the date hereof, upon the reasonable request of any party hereto, the other party or parties hereto shall execute and deliver or cause to be executed and delivered such further instruments of conveyance, assignment, transfer, acceptance and assumption, and take such further action as the requesting party may reasonably request, in order to fully effectuate the purposes, terms and conditions hereof.

4. Asset Purchase Agreement. This Assignment is subject in all respects to the terms and conditions of the Asset Purchase Agreement and nothing herein, express or implied, is intended to or shall be construed to modify, expand or limit in any way the terms, representations and warranties or covenants contained in the Asset Purchase Agreement. This Assignment shall, in all respects, be construed so that none of the Assumed Liabilities shall be expanded, increased, broadened or enlarged, solely as a result of the execution of this Assignment, as to rights or remedies that third parties would have had against Buyer or Seller had this Assignment not been executed and delivered. If the terms of this Assignment conflict with the terms of the Asset Purchase Agreement, then the terms of the Asset Purchase Agreement shall govern.

5. Counterparts. This Assignment may be executed in several counterparts, each of which shall be deemed an original, but such counterparts shall together (when executed and delivered) constitute but one and the same instrument. This Assignment may be executed and delivered in counterpart signature pages executed and delivered via facsimile transmission or by e-mail transmission in Adobe portable document format, and any such counterpart executed and delivered via facsimile transmission or by e-mail transmission in Adobe portable document format shall be deemed an original for all intents and purposes.

6. Effectiveness. This Assignment will be effective as of 10:00 a.m. Central Time on the Effective Date.

7. Benefit; Assignment. This Assignment shall be binding upon and inure to the benefit of Buyer and Seller and their respective successors and permitted assigns. No party to this Assignment may, directly or indirectly, assign this Assignment or any of its rights, interests or obligations hereunder without the prior written consent of the other party.

8. Amendment. No amendment, supplement, modification, waiver or termination of this Assignment or any provision hereof shall be binding unless executed in writing by the party to be bound thereby.

9. Headings. The headings set forth in this Intellectual Property Assignment Agreement are inserted or used for convenience of reference only and shall not control or affect the meaning or construction of the provisions of this Intellectual Property Assignment Agreement.

10. Governing Law. This Assignment shall be governed, construed and enforced in accordance with the laws of the State of Delaware applicable to contracts made and performed in that State without giving effect to any choice or conflict of law principle, provision or rule, including all matters of construction, interpretation, validity and performance.
