WHEREAS, as a condition precedent to the making of the Loans by the Lenders from time to time and the entry into documentation relating to the Secured Bank Product Obligations by the Secured Bank Product Providers from time to time, the Grantor has executed and delivered that certain U.S. Security Agreement dated as of October 10, 2018 among the Grantors (as defined therein) and the Administrative Agent (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"); and

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed thereunder to execute this IP Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

Section 1. Definitions. Capitalized terms used in this IP Security Agreement and not otherwise defined herein shall have the meanings ascribed to such terms in the ABL Credit Agreement or the Security Agreement, as applicable.

Section 2. Grant of Security. As security for the payment or performance, as the case may be, in full, of the Secured Obligations, the Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in all of the Grantor's right, title and interest in and to the following to the extent governed by, arising under, pursuant to, or by virtue of, the Laws of the United States of America or any state thereof (the "Collateral"):

(a) all trademarks, trademark applications, service marks, domain names, trade dress, logos, designs, slogans, trade names, business names, corporate names and other source identifiers, and all general intangibles of like nature whether registered or unregistered, together, in each case, with the goodwill symbolized thereby ("Trademarks");

*provided*, that notwithstanding anything to the contrary contained in the foregoing clauses (a) through (c), the security interest created hereby shall not extend to, and the term "Collateral" shall not include, any Excluded Assets.

Section 3. Security for Obligations. The grant of a security interest in the Collateral by the Grantor under this IP Security Agreement secures the payment of all Secured Obligations of the Grantor now or hereafter existing under or in respect of the Secured Documents (as such Secured Documents may be amended, restated, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount outstanding thereunder)).
