TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (“Agreement”) is made and entered effective as of October 1, 2018 (the “Effective Date”), by and among PPC Lubricants, Inc. (“Assignor”) and Drydene Performance Products, Inc. (“Assignee”).

WHEREAS, Assignor is the author, creator and/or owner of certain rights, title and interests in various trademarks, servicemarks, logos, and other tangible and intangible intellectual property, including but not limited to good will and described in more detail in Exhibit “A” hereto (the “Intellectual Property”); and

WHEREAS, Assignor desires to assign and transfer to Assignee all of its rights, title and interest in the Intellectual Property on the terms set forth herein.

NOW THEREFORE, in consideration of the mutual promises contained herein, the parties hereby agree as follows:

1. Assignment and Delivery. Assignor hereby irrevocably assigns, transfers, and conveys to Assignee, its successors and assigns, Assignor’s entire right, title and interest in and to each and all of the Intellectual Property described in Exhibit “A,” including without limitation, the right to apply for, register, renew and become known as the author and owner of the Intellectual Property and the right to sue for and recover damages for any past, present or future infringement of the Intellectual Property.

2. Assignor’s Retention of Name and Trademarks. Notwithstanding the assignment of the Intellectual Property herein, Assignor shall retain all of its joint and individual, as the case may be, rights, title and interest in the business or product name “PPC Lubricants,” and any other registered and/or unregistered trademarks, brands, or other product identifiers currently owned by Assignor and which are not part of this Agreement.

3. Appointment of Attorney-in-Fact. Assignor hereby designates and appoints Assignee and its duly authorized members, officers and agents, as Assignor’s agents and attorneys-in-fact to act for and on behalf of Assignor and, instead of Assignor, to execute and file any documents and to do all other lawfully permitted acts necessary to perfect Assignee’s rights in the Intellectual Property with the same legal force and effect as if executed by Assignor.

4. Consideration. In consideration for the assignments made by Assignor in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which the parties hereby acknowledge, Assignee will pay Assignor One Dollar (\$1.00).

5. Entire Agreement. This Agreement constitutes the final, complete and exclusive agreement between the parties with respect to the subject matter hereof, and supersedes any prior or contemporaneous agreement, either written or oral.

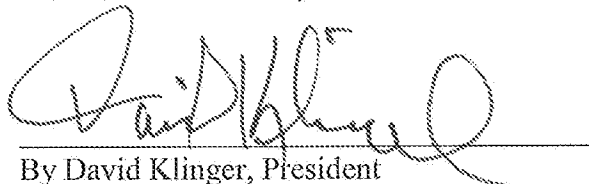

6. Governing Law; Jurisdiction. This Agreement shall be governed by the laws of the Commonwealth of Pennsylvania, without regard to its conflicts of law provisions.

7. Headings. The headings contained herein are for the convenience of reference only, and are not intended to define, limit, expand or describe the scope or intent of any clause or provision of this Agreement.
