1. The Assignor does hereby irrevocably sell, assign, transfer, covey and deliver to the Assignee, its successors and permitted assigns, all right, title and interest, in and to the Marks, and all of the goodwill of the business associated with the Marks, together with that portion of Assignor's business to which the Marks pertain, and all registrations and pending applications for the Marks, any renewals of the registrations, in all countries throughout the world, for the Assignee's own use and enjoyment, and for the use and enjoyment of the Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Trademark Assignment had not been made together with all causes of action for any and all previously occurring infringement of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.
