**AGREEMENT RE: CONFIRMATION OF INTELLECTUAL PROPERTY  
ASSIGNMENT**

This Agreement ("AGREEMENT"), effective as of July 1, 2015, is made and entered into by and between:

- (1) **Implicitcare, LLC (a Delaware limited liability company)**  
("IMPLICITCARE"); and
- (2) **oVio Technologies, Inc. (a Delaware corporation)**  
("OVIO").

**RECITALS**

WHEREAS, OVIO was formerly known as IC360 Imaging, Inc. The corporate name of IC360 Imaging, Inc. was changed to oVio Technologies, Inc. pursuant to a Certificate of Amendment of Certificate of Incorporation dated October 28, 2015 and attached hereto as Exhibit A.

WHEREAS, IMPLICITCARE developed, among other things, a 360 degree dynamic and high definition patient imaging system (the "PRODUCT");

WHEREAS, pursuant to an Asset Transfer Agreement dated July 1, 2015, attached hereto as Exhibit B (the "ASSET TRANSFER AGREEMENT"), IMPLICITCARE assigned and transferred ownership of all assets and intellectual property related to the PRODUCT to IC360 Imaging, Inc.

WHEREAS, the trademark registrations and trademark applications that were supposed to be listed in Schedule A of the ASSET TRANSFER AGREEMENT (the "INITIAL TRADEMARK ASSETS") and the patents and patent applications that were supposed to be listed in Schedule B of the ASSET TRANSFER AGREEMENT (the "INITIAL PATENT ASSETS") were inadvertently omitted from the ASSET TRANSFER AGREEMENT.

WHEREAS, the INITIAL TRADEMARK ASSETS are attached hereto as Exhibit C and the INITIAL PATENT ASSETS are attached hereto as Exhibit D.

WHEREAS, the ASSET TRANSFER AGREEMENT also assigned and transferred ownership of all continuations, continuations-in-part, divisionals, extensions, substitutions, reissues, re-examinations and renewals of the INITIAL TRADEMARK ASSETS and the INITIAL PATENT ASSETS, and any patents or patent applications from which any of them claim priority or that claim priority from any of them (the "LATER FILED PATENT AND TRADEMARK ASSETS"). For the purposes of recordation in the United States Patent and Trademark Office and any foreign patent or trademark offices, a listing of the LATER FILED PATENT AND TRADEMARK ASSETS is attached hereto as Exhibit E.

 Initials

NOW THEREFORE, in consideration of the foregoing and other valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, it is agreed:

1. INTELLECTUAL PROPERTY ASSIGNED TO OVIO

If not previously assigned to OVIO or owned by OVIO, IMPLICITCARE agrees to assign and transfer, and does hereby assign and transfer, to OVIO its entire worldwide right, title, and interest in the intellectual property in the PRODUCTS, the INITIAL PATENT ASSETS, the INITIAL TRADEMARK ASSETS and the LATER FILED PATENT AND TRADEMARK ASSETS, including all patent rights, trademark rights, and copyright rights.

2. GENERAL PROVISIONS

(a) Entire Agreement. This AGREEMENT and the ASSET TRANSFER AGREEMENT constitute the entire agreement and understanding between the parties hereto with respect to its subject matter and, except for the ASSET TRANSFER AGREEMENT terminates and supersedes any prior or contemporaneous agreements or understandings relating to such subject matter. None of the provisions of this AGREEMENT may be waived or modified except in a writing signed by both parties, and there are no representations, promises, agreements, warranties, covenants or undertakings other than those contained herein.

(b) Taxes. Each party shall pay all taxes (including, without limitation, sales and value added taxes) imposed on it by the government of any jurisdiction in which such party is doing business in respect of any licenses or rights granted hereunder.

(c) Illegal Acts. In no event shall this AGREEMENT be construed as requiring either party to commit any unlawful act or acts whatsoever.

(d) Reformation. Each paragraph or subparagraph of this AGREEMENT shall be distinct and separate and, unless otherwise specified, the invalidity or illegality of any paragraph or subparagraph shall have no effect on any other paragraph or subparagraph. If a tribunal declares a provision of this AGREEMENT invalid, the AGREEMENT will be deemed automatically adjusted to the minimum extent necessary to be valid.

(e) Governing Law. This AGREEMENT shall be interpreted, construed and enforced in accordance with the laws of the State of California without reference to its choice of law rules, except to the extent preempted by the laws of the United States of America.

(f) Interpretation of Agreement. This AGREEMENT is the product of an arms' length negotiation between the parties, with each of the parties being represented by legal counsel of their choice. Accordingly, in any interpretation of this AGREEMENT, it shall be deemed that this AGREEMENT was prepared jointly by the parties, and no ambiguity shall be construed or resolved against either party on the premise or presumption that such party was responsible for drafting this AGREEMENT. Paragraph and subparagraph headings in this AGREEMENT are included for convenience of reference only and shall not constitute a part of

 Initials 

this AGREEMENT for any other purpose or be given any substantive effect. Nothing in this AGREEMENT and the negotiations leading to its consummation shall be construed as offering any tax-related advice to either of the parties by the other party or its representative.

(g) Counterparts. This AGREEMENT may be executed in one or more counterparts, including electronically transmitted counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same agreement.

(h) Successors and Assigns; Assignment. Except as otherwise provided in this AGREEMENT, this AGREEMENT, and the rights and obligations of the parties hereunder, will be binding upon and inure, to the benefit of their respective successors, assigns, heirs, executors, administrators and legal representatives. OVIO may assign any of its rights and obligations under this AGREEMENT. IMPLICITCARE may not assign, whether voluntarily or by operation of law, any of its rights and obligations under this AGREEMENT, except with the prior written consent of the OVIO.

(i) Authorized to sign. Each person who signs this Agreement on behalf of a party represents and warrants that he/she/it has been authorized by such party to enter into this AGREEMENT and to bind that party.

(j) Amendment and Waivers. This AGREEMENT may be amended only by a written agreement executed by each of the parties hereto. No amendment of or waiver of, or modification of any obligation under this AGREEMENT will be enforceable unless set forth in a writing signed by the party against which enforcement is sought. Any amendment effected in accordance with this section will be binding upon all parties hereto and each of their respective successors and assigns. No delay or failure to require performance of any provision of this AGREEMENT shall constitute a waiver of that provision as to that or any other instance. No waiver granted under this AGREEMENT as to any one provision herein shall constitute a subsequent waiver of such provision or of any other provision herein, nor shall it constitute the waiver of any performance other than the actual performance specifically waived.

## ASSET TRANSFER AGREEMENT

THIS ASSET TRANSFER AGREEMENT (this "Agreement") is made and entered into effective as of July 1, 2015 by and between IC360 Imaging, Inc., a Delaware corporation (the "Company"), and Implicitcare, LLC, a Delaware limited liability company ("Assignor").

WHEREAS, Assignor is the developer of, among other things, a 360 degree dynamic and high definition patient imaging system called "IC230" (the "Product");

WHEREAS, Assignor is the author and owner of the Assigned Assets (as defined below) and, in connection with the formation of the Company on or about the date hereof, Assignor desires to assign and transfer to the Company all of Assignor's right, title and interest in and to the Assigned Assets in exchange for the Company's issuance to Assignor of One Hundred (100) shares of the Company's Common Stock, par value \$0.001 per share (the "Shares"); and

WHEREAS, the parties hereto desire to memorialize their agreement with respect to the assignment and transfer of the Asset Assets.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Certain Definitions. As used herein, the following terms will have the meanings set forth below:

(a) Assigned Assets. The term the "Assigned Assets" means all (i) Intellectual Property and Intellectual Property Rights owned by Assignor as of the date hereof that relate solely to the Product together with all Derivatives and Embodiments of any of the foregoing and (ii) inventory, finished goods, raw materials, work in progress, packaging, supplies, parts and other inventories owned by Assignor as of the date hereof that relate solely to the Product. Without limiting the generality of the foregoing, the "Assigned Assets" shall include (A) the trademarks, trademark registrations and trademark applications listed on Schedule A hereto and all issuances, extensions and renewals thereof and (B) the patents listed on Schedule B and all continuations, continuations-in-part, divisionals, extensions, substitutions, reissues, re-examinations and renewals thereof, and any patents or patent applications from which any of them claim priority or that claim priority from any of them. For the avoidance of doubt, the "Assigned Assets" shall not include any Intellectual Property or Intellectual Property Rights that relate to the Company's product called "icLED."

(b) Derivative. The term "Derivative" means: (a) any derivative work of the Assigned Assets (as defined in Section 101 of the U.S. Copyright Act); (b) all improvements, modifications, alterations, adaptations, enhancements and new versions of the Assigned Assets; and (c) all technology, inventions, products or other items that, directly or indirectly, incorporate, or are derived from, any part of the Assigned Assets.

(c) Intellectual Property. The term "Intellectual Property" means all technology and intellectual property, regardless of form, including without limitation: (a) published and unpublished works of authorship, including without limitation audiovisual works, collective works, computer programs, compilations, databases, derivative works, literary works, maskworks, and

sound recordings ("Works of Authorship"); (b) inventions and discoveries, including without limitation articles of manufacture, business methods, compositions of matter, improvements, machines, methods, and processes and new uses for any of the preceding items ("Inventions"); (c) words, names, symbols, devices, designs, and other designations, and combinations of the preceding items, used to identify or distinguish a business, good, group, product, or service or to indicate a form of certification, including without limitation logos, product designs, and product features ("Trademarks"); and (d) information that is not generally known or readily ascertainable through proper means, whether tangible or intangible, including without limitation algorithms, customer lists, ideas, designs, formulas, know-how, methods, processes, programs, prototypes, systems and techniques ("Confidential Information").

(d) Intellectual Property Rights. The term "Intellectual Property Rights" means, collectively, all rights in, arising out of, or associated with Intellectual Property in any jurisdiction, including without limitation: (a) rights in, arising out of, or associated with Works of Authorship, including without limitation rights in maskworks and databases and rights granted under the Copyright Act ("Copyrights"); (b) rights in, arising out of, or associated with Inventions, including without limitation rights granted under the Patent Act ("Patent Rights"); (c) rights in, arising out of, or associated with Trademarks, including without limitation rights granted under the Lanham Act ("Trademark Rights"); (d) rights in, arising out of, or associated with Confidential Information, including without limitation rights granted under the Uniform Trade Secrets Act ("Trade Secret Rights"); (e) rights in, arising out of, or associated with a person's name, voice, signature, photograph, or likeness, including without limitation rights of personality, privacy, and publicity ("Personality Rights"); (f) rights of attribution and integrity and other moral rights of an author ("Moral Rights"); and (g) rights in, arising out of, or associated with domain names ("Domain Name Rights").

(e) Embodiment. The term "Embodiment" means all documentation, drafts, papers, designs, schematics, diagrams, models, prototypes, source and object code (in any form or format and for all hardware platforms), computer-stored data, diskettes, manuscripts and other items describing all or any part of the Assigned Assets, any Derivative, any Intellectual Property Rights or any information related thereto or in which all or any part of the Assigned Assets, any Derivative, any Intellectual Property Right or such information is set forth, embodied, recorded or stored.

2. Assignment and Transfer. In consideration of the issuance by the Company to Assignor of the Shares, receipt of which is hereby acknowledged, Assignor hereby forever assigns, transfers, contributes, conveys and delivers to the Company, and its successors and assigns, Assignor's entire right, title and interest in and to each and all of the Assigned Assets.

3. Recordation and Further Actions. Assignor authorizes the Commissioner for Trademarks of the United States Patent and Trademark Office and any other national, federal and state government officials to record and register this Agreement upon request by the Company. Assignor authorizes the Commissioner for Patents of the United States Patent and Trademark Office to record and register this Agreement upon request by the Company. The parties hereto agree to execute such further documents and instruments and to take such further actions as may be reasonably necessary to carry out the purposes and intent of this Agreement, including, but not limited to, the execution of a bill of sale, in substantially the form attached hereto as Exhibit A. Assignor further agrees, promptly upon request of the Company, or any of its successors or assigns, to execute and deliver, without further compensation of any kind, any power of attorney, assignment, application for copyright, patent or other intellectual property right protection, or any other papers

which may be necessary or desirable to fully secure to the Company, its successors and assigns, all right, title and interest in and to each of the Assigned Assets, and to cooperate and assist in the prosecution of any opposition proceedings involving said rights and any adjudication of the same.

4. No Warranty. Nothing in this Agreement shall be deemed to be a representation or warranty by Assignor concerning the Assigned Assets and, by way of clarification, no representations or warranties are made concerning the scope, coverage, validity or enforceability of the Assigned Assets. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ASSIGNOR DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF NONINFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

5. General Provisions.

(a) Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties hereto with respect to its subject matter and terminates and supersedes any prior or contemporaneous agreements or understandings relating to such subject matter. None of the provisions of this Agreement may be waived or modified except in a writing signed by both parties, and there are no representations, promises, agreements, warranties, covenants or undertakings other than those contained herein.

(f) Taxes. Each party shall pay all taxes (including, without limitation, sales and value added taxes) imposed on it by the government of any jurisdiction in which such party is doing business in respect of any licenses or rights granted hereunder or in respect to any sales of the Licensed Articles.

(g) Execution. Neither the tender of this Agreement by Assignor to Recipient nor the encashment by Assignor of Recipient's advance payment shall be binding. Only upon delivery to Assignor of a fully-executed unmodified copy of this Agreement signed by Recipient shall this Agreement be binding.

(h) No Waiver. No delay or omission on the part of either party to this Agreement in requiring performance by the other party or in exercising any right hereunder shall operate as a waiver of any provision hereof or of any right or rights hereunder, and the waiver, omission or delay in requiring performance or exercising any right hereunder on any one occasion shall not be construed as a bar to or waiver of such performance or right, or of any right or remedy under this Agreement on any future occasion.

(i) Illegal Acts. In no event shall this Agreement be construed as requiring either party to commit any unlawful act or acts whatsoever.

(j) Reformation. Each paragraph or subparagraph of this Agreement shall be distinct and separate and, unless otherwise specified, the invalidity or illegality of any paragraph or subparagraph shall have no effect on any other paragraph or subparagraph. If a tribunal declares a provision of this Agreement invalid, the Agreement will be deemed automatically adjusted to the minimum extent necessary to be valid.

(k) Governing Law. This Agreement shall be interpreted, construed and enforced in accordance with the laws of the State of California without reference to its choice of law rules, except to the extent preempted by the laws of the United States of America.

(l) Interpretation of Agreement. This Agreement is the product of an arms' length negotiation between the parties, with each of the parties being represented by legal counsel of their choice. Accordingly, in any interpretation of this Agreement, it shall be deemed that this Agreement was prepared jointly by the parties, and no ambiguity shall be construed or resolved against either party on the premise or presumption that such party was responsible for drafting this Agreement. Paragraph and subparagraph headings in this Agreement are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect. Nothing in this Agreement and the negotiations leading to its consummation shall be construed as offering any tax-related advice to either of the parties by the other party or its representative.

(m) Counterparts. This Agreement may be executed in one or more counterparts, including electronically transmitted counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same agreement.

(n) Successors and Assigns; Assignment. Except as otherwise provided in this Agreement, this Agreement, and the rights and obligations of the parties hereunder, will be binding upon and inure to the benefit of their respective successors, assigns, heirs, executors, administrators and legal representatives. The Company may assign any of its rights and obligations under this Agreement. Assignor may not assign, whether voluntarily or by operation of law, any of its rights and obligations under this Agreement, except with the prior written consent of the Company.

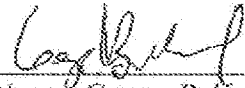

(o) Amendment and Waivers. This Agreement may be amended only by a written agreement executed by each of the parties hereto. No amendment of or waiver of, or modification of any obligation under this Agreement will be enforceable unless set forth in a writing signed by the party against which enforcement is sought. Any amendment effected in accordance with this section will be binding upon all parties hereto and each of their respective successors and assigns. No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. No waiver granted under this Agreement as to any one provision herein shall constitute a subsequent waiver of such provision or of any other provision herein, nor shall it constitute the waiver of any performance other than the actual performance specifically waived.
