**INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT**

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (“Assignment”) is made and entered into as of June 20, 2018, by and among TheStreet, Inc., a Delaware corporation and Bankers Financial Products Corporation, a Wisconsin corporation (collectively, “Assignors”), and S&P Global Market Intelligence Inc., a Delaware corporation (“Assignee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Purchase Agreement (as defined below).

WHEREAS, Assignors and Assignee have entered into an Asset Purchase Agreement, dated as of June 20, 2018 (the “Purchase Agreement”), pursuant to which Assignors are selling, contributing, assigning and transferring certain of its assets and agreements to Assignee;

WHEREAS, Assignors are the owner of the Purchased Intellectual Property, including the trademark and domain name listed in Exhibit A attached hereto (the “Specified IP”); and

WHEREAS, pursuant to the Purchase Agreement, Assignors will assign to Assignee all of Assignors’ right, title and interest in and to the Purchased Intellectual Property.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants and agreements contained in the Purchase Agreement, and the covenants and agreements in this Assignment, and to induce Assignee to consummate the transactions contemplated by the Purchase Agreement, Assignors agree as follows:

1. **ASSIGNMENT.**

a. Assignors hereby assign, sell, transfer and convey to Assignee all of Assignors’ right, title and interest in, to and under the Purchased Intellectual Property, including the Specified IP, and all goodwill pertaining thereto; said rights, title and interest include, without limitation, any and all causes of action heretofore accrued in Assignors’ favor for infringement or other violation of the aforesaid rights, including the right for past infringement damages, to have and to hold the same unto Assignee absolutely.

b. At any time, and from time to time, hereafter, Assignors shall, upon Assignee’s written request and expense and without delay, execute, acknowledge and deliver to Assignee any and all further instruments and assurances reasonably necessary or expedient in order to vest the aforesaid rights in Assignee or record this assignment, and facilitate Assignee’s enjoyment and enforcement of said rights and causes of action.

2. **MISCELLANEOUS.**

a. Subject to Purchase Agreement. This Assignment is executed pursuant to the Purchase Agreement and is entitled to the benefits thereof, and the assets and interests being conveyed hereunder are hereby conveyed to Assignee subject to the terms and conditions contained in the Purchase Agreement.

b. Governing Law. This Assignment and all claims arising out of or relating to this Assignment shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and performed in such State, without giving effect to its conflicts of laws provisions.

c. Counterparts. This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Assignment and all of which, when taken together, will be deemed to constitute one and the same agreement.

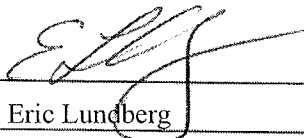

d. Binding Effect. This Assignment shall be binding upon and inure to the benefit of Assignors and Assignee and their respective successors and permitted assigns. Nothing in this Assignment shall create or be deemed to create any third party beneficiary rights in any person or entity not a party to this Assignment except as provided below.

e. Integration. Assignors and Assignee acknowledge and agree that this Assignment is intended only to document the conveyance of the assets and interests contemplated herein to Assignee and that the Purchase Agreement is the exclusive source of the agreement and understanding between Assignee and Assignors respecting such assets and interests. The terms of the Purchase Agreement, including the representations, warranties, covenants, agreements and indemnities contained therein, are incorporated herein by this reference. The representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded, expanded or otherwise affected hereby, but shall remain in full force and effect to the fullest extent provided in the Purchase Agreement. If there is any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.
