TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made as of the 14th day of September, 2018 by and between DAVID BURKE ("Assignor"), on the one hand, and CRAVEABLE HOSPITALITY GROUP LLC, formerly known as Watershed Ventures LLC, ("CHG"), a Delaware corporation ("Assignee"), on the other.

In consideration of the mutual covenants and undertakings set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Grant and Assignment.** Assignor does hereby transfer, convey, assign and deliver to Assignee all right, title, and interest in and to the trademarks and service marks ANGRY TACO, United States Patent and Trademark Office Registration Numbers 5119802 and 5119803 (the "Marks"), together with the goodwill of the business pertaining to the Marks, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, licensees, sublicensees and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made; together with all claims for damages by reason of past infringements of the Marks, along with the right to sue for and collect such damages for the use and benefit of Assignee and Assignee's successors, assigns and other legal representatives.

2. **Representations and Warranties of the Parties.** Each party warrants that: (i) this Assignment is a legal, valid and binding obligation of the warranting party; (ii) such party has full power and authority to enter into and perform such party's obligations under this Assignment in accordance with its terms; and (iii) such party is and will remain free of any obligations and restrictions that would prevent or impede such party's performance of his or its obligations under this Assignment. Assignor further represents and warrants to Assignee that, to the best of Assignor's knowledge, Assignor is transferring title to the Marks to Assignee free and clear of all liens, security interests and other rights of third parties, other than such liens, security interests, or rights as may have been created by Assignee without Assignor's knowledge.

3. **Further Assurances.** Each party will, without additional consideration, take such further actions and execute promptly such further documents as are necessary to effect and record the above assignment, including any actions or documents required by the applicable registrar to document the transfer provided for herein or as may be necessary to effect, evidence or perfect the assignment of the Marks to Assignee.

4. **Recording of Assignment.** Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to record and register this Trademark Assignment.

5. **Counterparts.** This Agreement may be executed in counterparts which, taken together, shall constitute one original. Facsimile and/or electronic signatures shall have the same force and effect as originals thereof.

IN WITNESS WHEREOF, this Assignment has been executed as of the day and year first written above.
