TRADEMARK ASSIGNMENTS

This ASSIGNMENT (this "Assignment") is entered into as of August 29, 2018 (the "Effective Date"), by and between ISO INTERNATIONAL, LLC, a Wyoming limited liability company ("Assignor"), and CARLSHAD NATURALS, LLC, a Wyoming limited liability company ("Assignee").

WHEREAS, Assignor is the record owner of certain U.S. and Canadian trademarks set forth on Schedule 1 attached hereto and made a part hereof, including all common law rights thereto (the "Trademarks"), and the goodwill of the business symbolized thereby (together with the Trademark, the "Assigned Property").

WHEREAS, Assignor agrees to assign their entire right, title, and interest in and to the Assigned Property to Assignee; and

WHEREAS, Assignee agrees to acquire Assignor's entire right, title, and interest in and to the Assigned Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Assignor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to the Assigned Property, free and clear of any liens, charges, and encumbrances, including, without limitation, licenses and covenants by Assignors not to sue third persons, and Assignor hereby assigns to Assignee, and its successors and assigns, their entire right, title, and interest in and to the Trademarks, and all rights and privileges pertaining to said Trademarks in conformance with 15 U.S.C. §1060; 37 C.F.R. §3.16, together with the goodwill of the business symbolized by the Trademarks, including all income, royalties, damages, and payments now or hereafter due or receivable in respect of the Trademark, and all causes of action (either in law or equity) and the right to sue, counterclaim, and recover for past, present, and future infringements, misappropriations, or dilutions of the rights assigned to Assignee hereunder, and all rights corresponding thereto throughout the world.

2. To the best knowledge of Assignor, the Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part; provided, however, that Assignee takes the Trademarks as-is, where-is, and Assignor makes no representations or warranties of title, marketability, merchantability, or fitness or concerning their validity, condition, existence, or any known or unknown adverse third-party claims against the Trademarks.

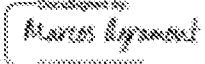

3. Upon reasonable request by Assignee, Assignor agrees to execute any and all papers and documents and do all other and further lawful acts that Assignee reasonably may deem necessary or desirable to perfect and vest in Assignee the entire right, title, and interest in and to the intellectual property being assigned.

4. Assignor shall, in its sole discretion, either: (i) provide and transfer to Assignee all user names and passwords associated with any or all social media accounts specifically related to the Trademarks; or (ii) remove all reference to the Trademarks from such accounts. In no event shall Assignor have any obligation to maintain any such accounts for the benefit of Assignee after ten (10) calendar days from the Effective Date.

5. Assignee shall waive any title to any and all trademark rights and goodwill pertaining to or associated with the CBDXTREME mark. Assignee further acknowledges and confirms that Assignor's use of the CBDXTREME mark prior to the execution of this Assignment is an authorized use of the mark and forms part of the trademark rights assigned in this section. As of the Effective Date, Assignee shall cease to order, procure, or obtain any inventories of goods associated with the CBDXTREME mark.
