ASSIGNMENT OF INTELLECTUAL PROPERTY

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY is entered into as of this 1st day of July, 2018 (this "Assignment"), by and between Oerlikon-Schweisstechnik AG, a Swiss Corporation ("Assignor"), and Lincoln Global, Inc., a Delaware corporation ("Assignee").

RECITALS:

WHEREAS, reference is made to that certain Share Purchase Agreement, between Air Liquide International and Lincoln Electric France (the "Purchaser") and Lincoln Electric Holdings, Inc., dated as of April 27, 2017 (as may be amended, modified or supplemented from time to time in accordance with the terms thereof, the "Purchase Agreement"). Capitalized terms used herein and not expressly defined herein shall have the meanings ascribed to such terms in the Purchase Agreement;

WHEREAS, pursuant to the Purchase Agreement, the Purchaser acquired all of the issued share capital and voting rights of Lincoln Electric S.A. (f/k/a Air Liquide Welding S.A.) and correspondingly all of the Group Companies, including Assignor;

WHEREAS, the Purchase Agreement provides that the Purchaser acquired the Group Companies with all rights, title and interests in all of the names, trade names, domain names, trademarks, identifying logos and services marks that were owned by a Group Company on the Closing Date, other than the AL Trademarks and Logos (the "Group Company Marks"), and all other right, title and interest in the Intellectual Property Rights, including the Group Companies Intellectual Property Rights, and any and all trade secret, technology, Confidential Information (as defined in the Confidentiality Agreement dated March 20, 2015 referred to in the Purchase Agreement), or know-how associated with the Business of the Assignor (referred to collectively in this Assignment as the "Intellectual Property"); and

WHEREAS, Assignor desires to assign to Assignee, and Assignee desires to accept from Assignor, all of Assignor's right, title and interest in and to the Intellectual Property, together with the goodwill symbolized by the trademarks and service marks included therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. **Intellectual Property Assignment**. Effective as of the July 1, 2018, Assignor hereby sells, assigns, conveys, grants and transfers unto Assignee the following:

(a) Assignor's entire right, title and interest in and to the trademarks, service marks, trademark applications, service mark applications and domain names set forth on Exhibit A attached hereto, and (ii) the goodwill of the business carried on in connection with the trademarks and service marks set forth on Exhibit A attached hereto;

(b) Assignor's entire right, title and interest in and to the other Intellectual

Property, including, without limitation, (i) all the patents, patent applications, copyrights, copyright applications, and trade names, (ii) all trade secrets, formulations, technology and know-how associated with the Group Companies Intellectual Property Rights and the Business of the Assignor, and (iii) all Software owned by Assignor (in source code and object code form) and collections of data, whether embodied in firmware, software or otherwise, as well as pertinent documentation, designs, files, records and data;

(c) All claims, demands and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any infringement of any Intellectual Property prior to, on or after the date of this Assignment, together with the right to prosecute such claims, demands and rights of action in Assignee's own name;

(d) All of Assignor's right, title and interest in and to all income, royalties, damages and payments now or hereafter due and/or payable under and with respect to any of the Intellectual Property, including, without limitation, the right to recover for past, present or future infringements by others of the Intellectual; and

(e) All rights corresponding to the Intellectual Property throughout the world, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. **Further Assurance.** Assignor agrees that it shall do, execute, acknowledge and deliver, all acts, agreements, documents, instruments, notices and assurances as may be reasonably requested by Assignee to further effect and evidence the transactions contemplated hereby. Assignor will at any time upon request and without further consideration, make all rightful oaths, and do all lawful acts required for procuring and enforcing the Intellectual Property.

3. **Enforceability.** If any provision of this Assignment shall be invalid or unenforceable, in whole or in part, or as applied to any circumstance, under the laws of any jurisdiction which may govern for such purpose, then such provision shall be deemed to be modified or restricted to the extent and in the manner necessary to render the same valid and enforceable, either generally or as applied to such circumstance, or shall be deemed excised from this Assignment, as the case may require, and this Assignment shall be construed and enforced to the maximum extent permitted by law as if such provision had been originally incorporated herein as so modified or restricted, or as if such provision had not been originally incorporated herein, as the case may be.

4. **Amendment.** This Assignment may be amended or supplemented only by an instrument in writing signed by Assignor and Assignee.

5. **No Third-Party Beneficiaries.** Nothing in this Assignment shall confer any rights upon any Person other than Assignor and Assignee and each such party's respective successors and permitted assigns.

6. **Counterparts.** This Assignment may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute one and the same agreement.

7. **Successors and Assigns.** This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

8. **Governing Law.** This Assignment shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision thereof that would cause the application of the laws of any jurisdiction other than those of the State of Delaware.

[Signature page follows.]

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment of Intellectual Property to be executed as of the date first written above.
