## ASSIGNMENT OF TRADEMARK

This Assignment of Trademark (this "Assignment") is made this 20<sup>th</sup> day of September 2018, by Ravago Holdings America, Inc. ("Assignor"), a Florida Profit Corporation to Ravago Americas LLC ("Assignee"), a Florida Limited Liability Company.

### RECITALS

- A. Assignor is the record owner of U.S. Trademark Registration No. 5,553,250 ("the '250 Registration").
- B. Assignor is the owner of certain goodwill associated with the '250 Registration.
- C. Assignor intends to transfer to Assignee the '250 Registration, along with all associated goodwill and all rights to recover for all infringements, past, present, and future.
- D. Assignee desires to accept assignment of all rights in the '250 Registration, including all the goodwill associated with the use of the '250 Registration, and all other rights, including common-law rights, relating to the '250 Registration to the extent such rights exist.

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, Assignor does now sell, assign, set over and transfer to Assignee all rights in the '250 Registration and the goodwill associated with the '250 Registration. The rights of Assignee at common law and to the end of the term or terms of which registration of the '250 Registration may be granted or renewed are to be held and enjoyed by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; including all claims for royalties for licensing of the '250 Registration and damages by reason of past infringements of the '250 Registration, with the right to sue for and collect the same for its own use and benefit, for the use, benefit and on behalf of its successors, assigns and other legal representatives.

Assignor will (i) execute such additional documents as are necessary to defend, register, or otherwise give full effect to and perfect the rights of Assignee to the '250 Registration; and (ii) take such further actions as Assignee may reasonably request in order to register and record this Assignment at the appropriate registries to demonstrate Assignee's title to the '250 Registration.

This Assignment shall be binding upon the successors and assigns of Assignor and Assignee.

This Assignment shall be governed by, interpreted under, and construed and enforced in accordance with the laws of Florida without regard to its conflict of laws principles. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.
