This Trademark Assignment Agreement ("Agreement") is made and entered into effective as of October 30, 2018 (the "Effective Date"), by and between Remy Power Products, LLC, a Delaware limited liability company located and doing business at 600 Corporation Drive, Pendleton, Indiana 46064 ("Assignor") and Maval Industries, L.L.C., a Delaware limited liability company located and doing business at 600 Corporation Drive, Pendleton, Indiana 46064 ("Assignee"), with reference to the following.

A. Assignor is the owner of the trademarks and trademark registrations for the marks listed in Exhibit A attached hereto (the "Marks"); and

B. Assignee wishes to purchase, and Assignor is willing to sell, assign, convey and transfer to Assignee, all of Assignor's right, title and interest in and to the Mark, and all goodwill associated therewith and symbolized thereby, on the following terms and conditions.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor and Assignee, the parties agree as follows:

1. Assignment. Assignor hereby sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns, the right, title and interest in and to the Mark, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights in the Mark, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend, and protect interests therein under the applicable laws of applicable jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, including, without limitation, any registration, application, renewal and extension therefor, together with the ongoing and existing business of Assignor to which the Mark pertains and the goodwill associated with the Mark and symbolized thereby, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Mark prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. Further Assurances. Assignor will promptly execute any additional assignment or other documents reasonably requested by Assignee, its successors and assigns, and do all other lawful acts reasonably necessary to carry out the intent of this Assignment, at Assignee's sole cost and expense. The cost of recording and registering ownership rights in the Mark shall be borne solely by Assignee, its successors and assigns.

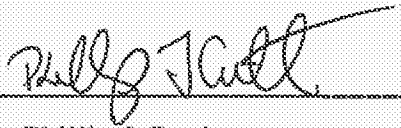

3. Miscellaneous. This Assignment and the exhibits hereto constitute the entire understanding and agreement of the parties with respect to the subject matter hereof and supersede any and all written or oral, prior or contemporaneous understandings and agreements. This Assignment may only be amended by written agreement of the parties. This Assignment
