FIRST LIEN TRADEMARK SECURITY AGREEMENT

THIS FIRST LIEN TRADEMARK SECURITY AGREEMENT, dated as of October 25, 2018, (this “**Agreement**”) is made by each entity listed as Grantor on the signature pages hereto (each a “**Grantor**” and, collectively, the “**Grantors**”), in favor of CPPIB Credit Investments Inc., in its capacity as collateral agent for the Secured Parties under the Security Agreement referred to below (the “**First Lien Agent**”).

WHEREAS, pursuant to that certain First Lien Pledge and Security Agreement dated as of October 25, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”, capitalized terms used herein and not otherwise defined herein have the meanings specified in the Security Agreement), among the Grantors, the First Lien Agent and certain other parties thereto, in order to secure payments of certain Secured Obligations (as defined in the First Lien Term Loan Agreement), each Grantor has pledged, mortgaged, hypothecated and granted to the First Lien Agent a continuing security interest all of its right, title and interest in, to and under all Trademarks, including, without limitation, the issued Trademark registrations and Trademark applications listed on Schedule I hereto solely to the extent the same constitute Collateral (collectively, the “**Trademark Collateral**”).

NOW, THEREFORE, for the consideration set forth herein and in the Security Agreement, the parties hereby agree that each Grantor, as security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, hereby pledges, mortgages, hypothecates and grants to the First Lien Agent, its successor and permitted assigns, on behalf of and for the benefit of the Secured Parties, a continuing security interest in all of such Grantor’s right, title and interest in, to and under the Trademark Collateral.

FOR THE AVOIDANCE OF DOUBT, notwithstanding any other provision of this Agreement, the Grantors do not grant any lien on or security interest in any of the Excluded Assets (as defined in the First Lien Term Loan Agreement). The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the First Lien Agent for the Secured Parties pursuant to the Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the First Lien Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.
