WHEREAS, Assignor and Assignee have entered into that certain Asset Purchase Agreement, dated as of January 31, 2018 (the “**Purchase Agreement**”); and

WHEREAS, pursuant to the Purchase Agreement, Assignor agreed, among other things, to sell, assign, transfer, convey and deliver to Assignee, and Assignee had agreed to purchase, acquire and accept from Assignor, all of Assignor’s right title and interest in and to the Trademark applications listed on Schedule A attached hereto and incorporated herein (the “**Assigned Trademarks**”).

1. Definitions. All capitalized terms used in this Agreement but not otherwise defined herein are given the meanings set forth in the Purchase Agreement.
2. Assignment. Assignor hereby irrevocably sells, assigns, transfers and conveys to Assignee:
 - (a) all right, title and interest in and to the Assigned Trademarks, together with the goodwill associated therewith;
 - (b) all or any portion of the Assignor’s business with which the Assigned Trademarks are intended to be used, which business is ongoing and existing; and
 - (c) all rights and remedies for past, present and future infringement, misappropriation or other violation thereof.

Assignor does further consent to the recordation of this Assignment by Assignee with the United States Patent and Trademark Office.

3. Further Assurances. Assignee shall be solely responsible for all actions and all costs whatsoever, including attorney’s fees, arising after the date hereof and associated with the registration and the renewal of the Assigned Trademarks, and Assignor shall have no obligation to pay any registration costs and/or renewal fees which become due for the Assigned Trademarks after the date hereof. Assignee shall be

responsible for preparing and translating any documents that Assignee records to perfect its right, title and interest in the Assigned Trademarks in any jurisdiction and all costs and fees associated with such recordation documents, provided, however, Assignor shall cooperate with Assignee and execute such instruments and documents and take such other actions as may be reasonably requested by Assignee to effectuate the assignment of the Assigned Trademarks to Assignee hereunder including, but not limited to, any documents required to be filed with the United States Patent and Trademark Office in perfecting Assignee's right, title and interest in the Assigned Trademarks.

4. Governing Law. This Assignment shall be governed by and construed in accordance with the internal laws of the Commonwealth of Massachusetts without giving effect to any choice or conflict of law provision or rule (whether of the Commonwealth of Massachusetts or any other jurisdiction).

5. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.
