TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of September 25, 2018 (as amended, restated, supplemented or otherwise modified, this "Agreement"), among CHELTEN HOUSE PRODUCTS, INC., a New Jersey corporation ("Grantor") and CITIZENS BANK OF PENNSYLVANIA, as Administrative Agent (in such capacity, the "Administrative Agent").

Reference is made to (a) the Credit Agreement, dated as of September 25, 2018 among DABROW REALTY, LLC, a Nevada limited liability company ("Real Estate Borrower"; and together with Grantor, each a "Borrower" and collectively, jointly and severally, the "Borrowers"), the Lenders party thereto and the Administrative Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), and (b) the Pledge and Security Agreement, dated as of September 25, 2018, by and among the Borrowers and the Administrative Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

The Lenders have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement and the Borrowers have secured their obligations pursuant to the Security Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement.

Accordingly, the parties hereto agree as follows:

1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement.

2. Grant of Security Interest. As security for the payment or performance, as applicable, in full when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent (and its successors and assigns), for the ratable benefit of the Secured Parties, a security interest in, all of Grantor's right, title and interest in, to or under any and all of the following assets now owned or at any time hereafter acquired (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, , uniform resource locations (URL's), domain names, , now existing or hereafter adopted or acquired, along with the goodwill associated therewith;

(b) all active and subsisting applications, registrations, and recordings associated therewith (excluding only United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant, attachment, or enforcement of a security interest therein would, under applicable federal law, impair the registrability of such applications or the validity or enforceability of registrations issuing from such application), including without limitation the registrations and applications as set forth in Schedule I, and all reissues, renewals, continuations and extensions thereof and amendments thereto;

(c) all income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto;

(d) all other assets, rights and interests that uniquely reflect or embody such goodwill; and

(e) all rights and privileges of Grantor arising under applicable law with respect to the use of the Trademark Collateral.

3 Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

4 Recordation. The Grantor authorizes the Commissioner for Trademarks, and any other government officials to record and register this Trademark Security Agreement upon request by the Administrative Agent.

5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (e.g., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

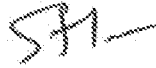

6. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signature page follows]

IN WITNESS WHEREOF, the parties hereto have duly executed this Trademark Security Agreement as of the day and year first above written.
