## ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment") is effective on the 1<sup>st</sup> day of September, 2017 by and between AVG Netherlands B.V., a limited liability company organized under the laws of the Netherlands with a principal address of Gatwickstraat 9-39, Amsterdam, Netherlands 1043GL (Assignor), and Avast Software B.V., a limited liability company organized under the laws of the Netherlands with a principal address of Schiphol Blvd., 369 Tower F, 7<sup>th</sup> Floor, Schiphol, 1118 BJ, Netherlands ("Assignee") (collectively, the "Parties").

WHEREAS, pursuant to an agreement by and among the Parties, AVG Technologies Holdings B.V. a limited liability company organized under the laws of the Netherlands with a principal address of Gatwickstraat 9-39, Amsterdam, Netherlands 1043GL ("AVGTH"), AVG Technologies B.V. a limited liability company organized under the laws of the Netherlands with a principal address of Gatwickstraat 9-39, Amsterdam, Netherlands 1043GL ("AVGT") and shareholders of all the above mentioned companies ("Merger Agreement"), Assignor will merge, in a series of subsequent mergers between (i) Assignor as a disappearing company and AVGTH as an acquiring company, (ii) AVGTH as a disappearing company and AVGT as an acquiring company, and (iii) AVGT as a disappearing company and Assignee as an acquiring company, all its intellectual property assets into that of Assignee;

WHEREAS, in accordance with the Merger Agreement, Assignor agrees to irrevocably assign to Assignee Assignor's entire right, title and interest in and to the Intellectual Property (as defined below);

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein and in the Merger Agreement and intending to be legally bound hereby, the Parties hereto agree as follows:

### Definitions

The following definitions shall apply to this Assignment:

"Copyrights" means all of Assignor's United States and foreign moral rights, author's rights and copyrights in any work of authorship (including, without limitation, databases and computer software, including, without limitation, all source code, object code, firmware, development tools, files, records and data, and all media on which any of the foregoing is recorded), mask works, all improvements to or derivatives from any of the foregoing, and all registrations and applications for any of the foregoing.

"Intellectual Property" means Patents, Trademarks, and Copyrights.

"Patents" means all of Assignor's United States and foreign patents (including, without limitation, continuations, continuations-in-part, divisionals, renewals, reissues, and extensions thereof), inventions or discoveries (including, without limitation, processes, compositions of matter, formulas, techniques, concepts and ideas) whether patentable or not, and whether reduced to practice or not, all improvements to or derivatives from any of the foregoing,

registrations and applications (including, without limitation, provisional applications), renewals, reissues and extensions for any of the foregoing, including without limitation the patents and patent applications set forth on Exhibit A.

"Trademarks" means all of Assignor's United States and foreign trademarks, service marks, Internet domain names, URLs, logos, trade names and trade dress, brand names, model names, corporate names and other source indicators, and all goodwill related thereto, and all registrations, applications and renewals for any of the foregoing, including without limitation the applications and registrations set forth on Exhibit B and domain names set forth on Exhibit C.

### COPYRIGHTS

1. Assignor hereby assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Copyrights, including but not limited to renewal rights therein, the right to obtain registrations of the Copyrights in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in Assignee's sole name.

2. Assignor shall cooperate with Assignee in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the Parties' intent and/or Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's sole discretion, to consolidate, confirm, vest and/or record Assignee's full and complete ownership of the Copyrights with, for example, the U.S. Copyright Office or equivalent foreign offices.

### PATENTS

3. Assignor hereby assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Patents, including but not limited to renewal rights therein, the right to obtain patent or equivalent protection therein in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present, or future infringements or violations thereof, all in Assignee's sole name.

4. Assignor shall cooperate with Assignee in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the parties' intent and/or Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's sole discretion, to consolidate, confirm, vest and/or record Assignee's full and complete ownership of the Patents with, for example, the U.S. Patent and Trademark Office or equivalent foreign offices.

### TRADEMARKS

5. Assignor hereby sells, assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill of the business(es)

that is/are symbolized by the Trademarks, including but not limited to renewal rights therein, the right to obtain registrations of the Trademarks in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in Assignee's sole name.

6. Assignor shall cooperate with Assignee in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the Parties' intent and/or Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's sole discretion, to consolidate, confirm, vest and/or record Assignee's full and complete ownership of the Trademarks with, for example, the U.S. Patent and Trademark Office or equivalent foreign offices, or with domain name registrars.

#### GENERAL

7. Entire Agreement. This Assignment contains the entire agreement of the Parties with respect to the subject matter of this Assignment. No prior agreement or understanding pertaining to any such matter shall be effective. This Assignment may only be modified in a written instrument executed by the parties.

8. Binding Assignment. This Assignment shall be binding upon and inure to the benefit of each of the Parties hereto, their successors and permitted assigns.

9. Governing Law. This Assignment shall be governed by and construed under the laws of the Commonwealth of Pennsylvania, United States, excluding any conflicts of laws rule or principle that might refer the governance or construction of this Assignment to the law of another jurisdiction.

10. Severability. If any provision of this Assignment shall be deemed invalid or unenforceable by any court of competent jurisdiction, then such portion shall be deemed severed, and the remainder thereof shall be enforceable in accordance with its terms.

11. Notices. All notices and other communications hereunder shall be in writing and shall be given either personally or by overnight express mail, postage prepaid, or by nationally-recognized courier service guaranteeing next business day delivery, charges prepaid, or by fax, to such Party's address (or to such Party's fax number). All notices shall be deemed received on the date when dispatched in accordance with the foregoing sentence.
