TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of November 1, 2018, is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of **FORTRESS CREDIT CO LLC**, as administrative agent and collateral agent (in such capacities, together with its successors and permitted assigns, the “Administrative Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WITNESSETH:

WHEREAS, pursuant to the First Lien Credit Agreement, dated as of November 1, 2018 (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the “Credit Agreement”) by and among **CRAFTWORKS RESTAURANTS & BREWERIES, INC.**, a Delaware corporation (the “Craftworks Borrower”), **LOGAN’S RESTAURANTS, INC.**, a Delaware corporation (the “Logan’s Borrower” and, together with the Craftworks Borrower, the “Borrowers”), **CRAFTWORKS HOLDINGS, LLC**, a Delaware limited liability company (“Holdings”), the lenders party thereto (the “Lenders”) and the Administrative Agent, the Lenders and Issuing Banks have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has, pursuant to a Guaranty and Security Agreement dated as of November 1, 2018 in favor of the Administrative Agent (as such agreement may be amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the “Guaranty and Security Agreement”), guaranteed the Obligations (as defined in the Credit Agreement) of the Borrowers;

WHEREAS, each Grantor has, pursuant to the Guaranty and Security Agreement, granted a security interest in substantially all of its assets in favor of the Administrative Agent for the benefit of the Secured Parties (as defined in the Credit Agreement) to secure the payment and performance of the Secured Obligations; and

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

(a) all of its Trademarks and all IP Licenses providing for the grant by or to such Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark;

(d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof; and

(e) all rights to obtain the foregoing;

provided that notwithstanding any other provision set forth in this Section 2, the security interest created by this Trademark Security Agreement shall not extend to any Excluded Assets (as defined in the Credit Agreement), including any intent-to-use Trademark application prior to the filing of a "Statement of Use" or an "Amendment to Allege Use" with respect thereto, solely to the extent the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under Applicable Law.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW).
