ASSIGNMENT

Tendrill Networks, Inc., a Corporation of Colorado having its principal place of business at 2580 55th Street, Suite 100, Boulder, Colorado 80301 (the "Assignor"), is the sole and exclusive owner, by assignment, of the Intellectual Property listed in *Schedule A*.

Tendrill EA, LLC, a Delaware limited liability company having its principal place of business at 2580 55th Street, Suite 100, Boulder, Colorado 80301 (the "Assignee"), desires to acquire the right, title and interest in, to and under said Intellectual Property.

"Intellectual Property" as used herein means all:

i) patents and patent applications, and inventions disclosed therein, set forth in *Schedule A*, and all divisional, continuation, continuation-in-part, re-exams, substitute or reissue applications and patents applied for or granted therefore in the United States of America and all other countries, including any future patents or patent applications related to any of the above by priority claim, and all causes of action related to or arising out of any of the foregoing (hereinafter collectively referred to as the "Patents");

ii) the trademarks, trademark registrations, and applications for registration set forth in *Schedule A*, and all other associated rights, including common law rights, trade name rights, trade dress rights, service marks, all causes of action related to or arising out of any of the foregoing, and the good will symbolized by any of the above, in the United States of America and all other countries (hereinafter collectively referred to as the "Trademarks"); and

iii) the domain names set forth in *Schedule A*, including all registrations and applications for registrations and renewals thereof, and all causes of action related to or arising out of any of the foregoing, in the United States of America and all other countries (hereinafter collectively referred to as the "Domain Names");

For good and valuable consideration, the receipt and sufficiency of which Assignor acknowledges, Assignor hereby sells, assigns, and transfers to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to any and all of the Intellectual Property.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue all Patents on *Schedule A* to Assignee herein as Assignee of the entire interest therein.

Assignor, and its legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all documentation or other lawful paper related to any of the Intellectual Property whenever reasonably requested by Assignee, and do generally everything necessary to aid Assignee, its successors, assigns and nominees to obtain protection for the Intellectual Property.
