GRANT OF SECURITY INTEREST IN TRADEMARKS

GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Trademark Security Agreement"), dated as of June 21, 2018, by Mark' Andy, Inc., a Missouri corporation, MAI Capital Holdings, Inc., a Delaware corporation, and Brandtjen and Kluge, LLC, a Missouri limited liability company (collectively the "Grantors"), in favor of Ally Bank, as Revolving Collateral Agent, for the benefit of the holders of the Secured Obligations.

W I T N E S S E T H :

WHEREAS, reference is made to that certain Pledge and Security Agreement, dated as of June 21, 2018 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated supplemented or otherwise modified from time to time, the "ABL Security Agreement") among MAI Holdings, Inc., a Delaware corporation, the Grantors from time to time party thereto, and Ally Bank as Revolving Collateral Agent.

Grantors are required to execute and deliver to the Revolving Collateral Agent this Trademark Security Agreement for the benefit of the holders of the Secured Obligations.

NOW, THEREFORE, in consideration of the promises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors hereby agree as follows:

(1) DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the ABL Security Agreement.

(2) GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantors hereby grant to the Revolving Collateral Agent, for the benefit of the holders of the Secured Obligations, a security interest in and continuing lien on all of such Grantor's right, title and interest in, to and under any Trademarks (collectively, the "Trademark Collateral"), along with all goodwill associated therewith, whether now owned or existing or hereafter acquired or arising and wherever located, including those Trademarks set forth in Schedule I, provided that no security interest therein is granted on any trademark applications filed on an intent-to-use basis in the United States Patent and Trademark Office to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity and enforceability of such intent-to-use trademark applications under applicable law.

(3) NOTES SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in furtherance, and not in limitation of the security interests granted to the Revolving Collateral Agent, for the benefit of the holders of the Secured Obligations on behalf of itself and the other Revolving Secured Parties, pursuant to the ABL Security Agreement. Grantors hereby acknowledge and affirm that the rights and remedies of Revolving Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the ABL Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the ABL Security Agreement, the provisions of the ABL Security Agreement shall control.

(4) COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

(5) GOVERNING LAW. This Trademark Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, Grantor(s) have caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
