We hereby request correction of a recordation error made by the U.S. Patent and Trademark Office to the registrant details of the referenced registration. As described more fully below, the owner of the registration is and has remained Evac Oy. Nordea Bank Finland PLC, which is currently listed erroneously as the Registrant, is not the owner of the registration. The following chronology helps set out where the error entered into the record:

Security Agreement Recorded: On March 9, 2015, an Intellectual Property Security Agreement Supplement from Evac Oy to Nordea Bank Finland PLC was recorded at Reel/Frame No. 5473/0810 in connection with Reg. No. 1596232 for the mark EVAC.

Security Interest Holder's Name Updated: On January 11, 2017, the merger of Nordea Bank Finland PLC with and into Nordea Bank AB was recorded at Reel/Frame No. 5964/0518. This merger relates to the holder of the Intellectual Property Security Agreement Supplement and not the owner of Reg. No. 1596232.

Security Interest Holder Update Misconstrued as Registrant Update: The U.S. Patent and Trademark Office recorded the merger of the holder of the Intellectual Property Security Agreement Supplement against Reg. No. 1596232 and erroneously updated the chain of title to reflect ownership of Reg. No. 1596232 by Nordea Bank AB. Because this merger relates only to the holder of Intellectual Property Security Agreement Supplement, the chain of title for Reg. No. 1596232 should not have been updated to Nordea Bank AB and should remain in the name of Evac Oy.

Because Nordea Bank AB is not the Registrant of Reg. No. 1596232, but merely the updated name of the security interest holder, we request that (1) the chain of title be corrected to reflect ownership of Reg. No. 1596232 by Evac Oy and (2) a corrected Registration Certificate be issued which reflects the correct Registrant's name.

INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT

(Trademark Registrations and Trademark Applications)

February 27, 2015

WHEREAS, Evac Oy, a company incorporated in Finland (herein referred to as the "Grantor"), owns the Intellectual Property Collateral (as defined below);

WHEREAS, the Grantor, among others, certain lenders and Nordea Bank Finland plc, as agent, are parties to a Facilities Agreement dated 23 December 2014 (as amended, supplemented or otherwise modified from time to time, the "Senior Facilities Agreement"); and

WHEREAS, pursuant to (i) a Security Agreement dated as of February 27, 2015 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement") entered into between, among others, the Grantor and Nordea Bank Finland plc, as Security Agent (the "Security Agent", which expression shall include its successors, assigns and transferees) and (ii) certain other Security Agreement Documents (including this Intellectual Property Security Agreement Supplement), the Grantor has secured the Secured Obligations (as defined in the Security Agreement) by granting to the Security Agent as security agent for the Finance Parties (as defined in the Security Agreement) a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Intellectual Property Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor grants to the Security Agent, to secure the Secured Obligations, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Intellectual Property Collateral"), whether now owned or existing or hereafter acquired or arising:

- (i) each Trademark (as defined in the Security Agreement) owned by the Grantor, including, without limitation, each Trademark registration and application referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark; and
- (ii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Grantor against third parties for past, present or future unfair competition with, or violation of, intellectual property rights in connection with any injury to, or infringement or dilution of any Trademark owned by the Grantor (including, without limitation, any Trademark identified in Schedule 1 hereto) or for the goodwill associated with any of the foregoing.

The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Security Agent pursuant to the Security Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Security Agent with respect to the security interest in the Intellectual Property Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Intellectual Property Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York. The Grantor agrees that any suit for the enforcement of this Intellectual Property Security Agreement Supplement may be brought in the courts of the State of New York or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Grantor by mail at the address specified in

the Security Agreement. The Grantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

This Intellectual Property Security Agreement Supplement may be executed in two or more separate counterparts, each of which shall constitute an original and all of which shall collectively and separately constitute one and the same agreement.

In case of any inconsistencies between the terms of this Intellectual Property Security Agreement Supplement and those of the Security Agreement, the Security Agreement shall prevail.

[Remainder of page left blank intentionally; signatures follow.]

IN WITNESS WHEREOF, the Grantor has caused this Intellectual Property Security Agreement Supplement to be duly executed by its officer thereunto duly authorized as of the date first above written.
