Each Chargor as primary obligor covenants with the Security Agent (for the benefit of itself and the other Secured Parties) that it will on demand pay the Secured Obligations when they fall due for payment.

3. CHARGING CLAUSE

3.1 Fixed Charges

Each Chargor, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights:

- (a) by way of first legal mortgage, all Material Property; and
- (b) by way of first fixed charge:
 - (i) all other interests (not effectively charged under clause 3.1(a)) in any Material Property;
 - (ii) all Subsidiary Shares;
 - (iii) all Investments (other than the Subsidiary Shares);
 - (iv) all Equipment;
 - (v) all Book Debts;
 - (vi) all Blocked Accounts;
 - (vii) all Intellectual Property;
 - (viii) its goodwill and uncalled capital; and
 - (ix) to the extent not effectively assigned by clause 3.2 (Security Assignment):
 - (A) the Assigned Agreements;
 - (B) the Insurances; and
 - (C) the Hedging Agreements.

3.2 Security Assignment

As further security for the payment and discharge of the Secured Obligations, each Chargor assigns absolutely with full title guarantee in favour of the Security Agent all its rights, title and interest in the following assets, both present and future, and, in each case, all Related Rights:

- (a) the Assigned Agreements;
- (b) the Insurances; and
- (c) the Hedging Agreements,

provided that on payment or discharge in full of the Secured Obligations the Security Agent will at the request and cost of the relevant Chargor re-assign the relevant rights, title and interest in the assigned assets to that Chargor (or as it shall direct).

3.3 Fixed Security

Clause 3.1 (Fixed Charges) and clause 3.2 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to

create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

3.4 Floating Charge

As further security for the payment and discharge of the Secured Obligations, each Chargor charges with full title guarantee in favour of the Security Agent by way of first floating charge all its present and future assets not effectively charged by way of fixed charge under clause 3.1 (Fixed Charges) or assigned under clause 3.2 (Security Assignment).

3.5 Conversion of Floating Charge

- (a) Subject to paragraph (b) below, if:
- (i) a Declared Default has occurred; or
 - (ii) the Security Agent is aware of any legal process or execution being enforced against any Floating Charge Asset or that any Floating Charge Asset is in clear and immediate danger of being seized; or
 - (iii) it is necessary to protect the priority of the security,

the Security Agent may, by notice to any Chargor, convert the floating charge created under this deed into a fixed charge as regards those assets which it specifies in the notice.

- (b) The floating charge created under this deed may not be converted into a fixed charge solely by reason of the obtaining of a moratorium under section 1A of the Insolvency Act 1986 in relation to a Chargor, or anything done with a view to obtaining such a moratorium.

3.6 Automatic Conversion of Floating Charge

If:

- (a) any Chargor creates (or purports to create) any Security in breach of clause 6.2 (Negative Pledge) over any Floating Charge Asset; or
- (b) any person levies or attempts to levy any distress, attachment, execution or other legal process against any Floating Charge Asset,

the floating charge created under this deed over the relevant Floating Charge Asset will automatically and immediately be converted into a fixed charge.

3.7 Leases Restricting Charging

- (a) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) any leasehold property held by a Chargor which is Material Property held by a Chargor under a lease which either precludes absolutely or conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its leasehold interest in that property (each an "**Excluded Property**") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Property, each relevant Chargor undertakes to apply for the relevant consent or waiver of prohibition or condition within 14 days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant

Excluded Property or the date of the relevant Security Accession Deed) and, in respect of each Excluded Property which provides that the relevant third party will not unreasonably withhold its consent to charging, to use all reasonable endeavours to obtain that consent as soon as possible unless such endeavours would involve placing relationships with material third parties in jeopardy and to keep the Security Agent informed of the progress of its negotiations. If the relevant Chargor has not been able to obtain the relevant consent or waiver of prohibition or condition within 45 Business Days of the date on which the relevant Chargor first approached the relevant third party, the obligation to obtain such consent or waiver shall cease.

- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Property shall stand charged to the Security Agent under clause 3.1 (Fixed Charges). If required by the Security Agent at any time following receipt of that waiver or consent, the relevant Chargor will forthwith execute a valid legal mortgage in such form as the Security Agent shall reasonably require.
- (d) For the avoidance of doubt, failure by the relevant Chargor to obtain the relevant waiver or consent, provided that such Chargor has used all reasonable efforts to do so, will result in the Excluded Property being excluded from the charge created by this clause 3 (Charging Clause).

3.8 Intellectual Property Restricting Charging

- (a) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) any Intellectual Property in which a Chargor has an interest under any licence or other agreement which precludes absolutely that Chargor from creating any charge over its interest in that Intellectual Property.
- (b) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) any Intellectual Property in which a Chargor has an interest under any licence or other agreement which either precludes conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its interest in that Intellectual Property, (each an "**Excluded Intellectual Property**") until the relevant condition or waiver has been satisfied or obtained. If the relevant Chargor has not been able to obtain the relevant consent or waiver of prohibition or condition within 45 Business Days of the date on which the relevant Chargor first approached the relevant third party, the obligation to obtain such consent or waiver shall cease.
- (c) For each Excluded Intellectual Property, each relevant Chargor undertakes to apply for the relevant consent or waiver of prohibition or condition within 14 days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant Excluded Intellectual Property or the date of the relevant Security Accession Deed) and, in respect of any licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use its reasonable endeavours to obtain such consent as soon as possible unless such endeavours would involve placing relationships with material third parties in jeopardy and to keep the Security Agent informed of the progress of its negotiations.

- (d) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Intellectual Property shall stand charged to the Security Agent under clause 3.1 (Fixed Charges). If required by the Security Agent, at any time following receipt of that waiver or consent, the relevant Chargor will forthwith execute a valid fixed charge or legal assignment in such form as the Security Agent shall reasonably require.
- (e) For the avoidance of doubt, failure by the relevant Chargor to obtain the relevant waiver or consent, provided that such Chargor has used all reasonable efforts to do so, will result in the Excluded Intellectual Property being excluded from the charge created by this clause 3 (Charging Clause).

4. FURTHER ASSURANCE

- (a) Subject to the Agreed Security Principles, each Chargor shall promptly (and at its own expense) do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)).
 - (i) to perfect the Security created or intended to be created under or evidenced by this deed (which may include the execution of a mortgage, charge, assignment, or other Security over all or any of the assets which are, or are intended to be, the subject of this deed) or for the exercise of any rights, powers and remedies of the Security Agent, any Receiver or the Secured Parties provided by or pursuant to this deed or by law;
 - (ii) to confer on the Security Agent or on the Secured Parties Security over any property and assets of that Chargor located in any jurisdiction equivalent or similar to the Security intended to be conferred by or pursuant to this deed; and/or
 - (iii) to facilitate the realisation of the assets which are, or are intended to be, the subject of the Security created by this deed.
- (b) Subject to the Agreed Security Principles, each Chargor shall take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to this deed.

5. REPRESENTATIONS AND WARRANTIES

5.1 Matters Represented

21.8 Release of Right of Contribution

If any Chargor (a "**Retiring Chargor**") ceases to be a Chargor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Chargor, then on the date such Chargor ceases to be a Chargor:

- (a) that Chargor is released by each other Chargor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Chargor arising by reason of the performance by any other Chargor of its obligations under the Finance Documents; and
- (b) each other Chargor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Chargor.

21.9 Subsequent Security - Ruling-off Accounts

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Senior Facilities Agreement) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the Obligors' Agent), as from the time it receives that notice, all payments made by the relevant Chargor to it shall (in the absence of any express appropriation to the contrary) be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations.

21.10 Redemption of Prior Charges

The Security Agent may, at any time after a Declared Default has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Chargor. Each Chargor will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

22. SET-OFF

Following the occurrence of a Declared Default, a Secured Party may set off any matured obligation due from a Chargor under the Finance Documents (to the extent beneficially owned by that Secured Party) against any matured obligation owed by that Secured Party to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

23. CHANGES TO PARTIES

23.1 Assignment by the Security Agent

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this deed in accordance with the Finance Documents.

23.2 Changes to Parties

Each Chargor authorises and agrees to changes to parties under clause 27 (Changes to the Lenders) and clause 29 (Changes to the Obligors) of the Senior Facilities Agreement and clause 21 (Changes to the Parties) of the Intercreditor Agreement and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

23.3 Consent of Chargors

Each Chargor consents to the accession to this deed of additional Chargors and agrees that any such accession will in no way prejudice the Security granted by it, or affect the covenants given by it, in this deed.

24. CURRENCY

24.1 Conversion

All monies received or held by the Security Agent or any Receiver under this deed may be converted into any other currency which the Security Agent considers necessary to discharge any obligations and liabilities comprised in the Secured Obligations in that other currency at a market rate of exchange then prevailing.

24.2 No Discharge

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge any obligation or liability in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action in relation to the shortfall and shall be entitled to enforce the security constituted by this deed to recover that amount.

25. MISCELLANEOUS

25.1 Certificates Conclusive

A certificate or determination of the Security Agent as to any amount or rate under this deed is, in the absence of manifest error, conclusive evidence of the matter to which it relates.

25.2 Invalidity of any Provision

If any provision of this deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

25.3 Counterparts

This deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this deed.

25.4 Failure to Execute

Failure by one or more parties ("**Non-Signatories**") to execute this deed on the date hereof will not invalidate the provisions of this deed as between the other parties who do execute this deed. Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

25.5 **Covenant to Release**

Once all the Secured Obligations have been paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any member of the Group, the Security Agent and each Secured Party shall, at the request and cost of each Chargor, take any action which is necessary to release the Charged Property from the security constituted by this deed.

26. **GOVERNING LAW AND JURISDICTION**

- (a) This deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence, validity or termination of this deed or any non-contractual obligation arising out of or in connection with this deed) (a "**Dispute**").
- (c) The parties to this deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

IN WITNESS whereof this deed has been duly executed and delivered on the above date first above written.

1. INTERPRETATION

1.1 Definitions

Terms defined in the Debenture have the same meaning when used in this deed.

1.2 Construction

Clause 1.2 (Construction) of the Debenture will be deemed to be set out in full in this deed, but as if references in that clause to the Debenture were references to this deed.

2. ACCESSION OF NEW CHARGOR

2.1 Accession

The New Chargor agrees to be a Chargor for the purposes of the Debenture with immediate effect and agrees to be bound by all of the terms of the Debenture as if it had originally been a party to it as a Chargor.

2.2 Covenant to Pay

The New Chargor as primary obligor covenants with the Security Agent (for the benefit of itself and the other Secured Parties) that it will pay on demand the Secured Obligations when they fall due for payment.

2.3 Fixed Charges

The New Chargor, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights:

- (a) by way of first legal mortgage, all Material Property (including as specified in schedule 1 (Property)); and

- (b) by way of first fixed charge:
 - (i) all other interests (not effectively charged under clause 2.3(a)) in the Material Property;

- (a) the Assigned Agreements (including as specified in schedule 5 (Assigned Agreements));
- (b) the Insurances (including as specified in schedule 8 (Insurance Policies)); and
- (c) the Hedging Agreements,

provided that on payment or discharge in full of the Secured Obligations the Security Agent will at the request and cost of the New Chargor re-assign the relevant rights, title and interest in the assigned assets to the New Chargor (or as it shall direct).

2.5 Fixed Security

Clause 2.3 (Fixed Charges) and clause 2.4 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

2.6 Floating Charge

As further security for the payment and discharge of the Secured Obligations, the New Chargor charges with full title guarantee in favour of the Security Agent by way of first floating charge all its assets, both present and future, not effectively charged by way of first fixed charge under clause 2.3 (Fixed Charges) or assigned under clause 2.4 (Security Assignment) and, in each case, all Related Rights.
