**Notice of Security Interests (Second Lien) in Trademarks**

NOTICE OF SECURITY INTERESTS (SECOND LIEN) IN TRADEMARKS dated as of November 19, 2018 (this "Trademark Security Agreement"), made by Tops Markets, LLC, a New York limited liability company (the "Grantor"), in favor of Ankura Trust Company, LLC, as Trustee and Collateral Agent (in such capacities, "Collateral Agent").

WHEREAS, under the terms of the Guarantee and Security Agreement (Second Lien Notes), made by the Grantor and the Guarantors (as defined therein) in favor of the Collateral Agent, dated as of November 19, 2018 ("Guarantee and Security Agreement (Second Lien Notes)"), the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties (as defined therein), a second lien on and security interest in and to all of the right, title and interest of such Grantor in, to and under all Intellectual Property Collateral of the Grantor, wherever located, and whether now existing or hereafter arising or acquired from time to time, among other property, and has agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office (the "USPTO").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. *Terms.* Capitalized terms used in this Trademark Security Agreement and not otherwise defined herein have the meanings specified in the Guarantee and Security Agreement (Second Lien Notes).

SECTION 2. *Grant of Security Interest.* As collateral security for the payment and performance, as the case may be, in full of the Secured Obligations, the Grantor pursuant to the Guarantee and Security Agreement (Second Lien Notes) hereby pledges and grants to the Collateral Agent, for its own benefit and for the benefit of the other Secured Parties, a second lien on and security interest in and to all of the right, title and interest of such Grantor in, to and under all U.S. Trademarks of the Grantor, to the extent included in the Intellectual Property Collateral, whether now existing or hereafter arising or acquired from time to time (collectively, the "Trademark Collateral"): all trademarks (including service marks), certification marks, trade dress, uniform resource locations (URLs), domain names, corporate names and trade names, whether registered or unregistered, owned by or assigned to such Grantor and all registrations and applications for the foregoing (whether statutory or common Law), together, in each case, with the goodwill exclusively symbolized thereby, including, without limitation, the registrations and applications listed on Schedule I hereto, and together with any and all (i) extensions and renewals thereof, (ii) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including, without limitation, damages, claims and payments for past, present or future infringements thereof, and (iii) rights corresponding thereto throughout the world and (iv) rights to sue for past, present and future infringements thereof, but excluding, in all cases, any Excluded Property.

SECTION 3. *Security for Obligations.* The grant of a security interest in the Trademark Collateral by the Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Secured Obligations.

SECTION 4. *Recordation.* The Grantor hereby requests and authorizes the USPTO to record this Trademark Security Agreement against the Trademark Collateral.

SECTION 5. *Counterparts.* This Trademark Security Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission (including .pdf file) shall be as effective as delivery of a manually signed original.

SECTION 6. *Governing Law.* THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF (OTHER THAN ANY MANDATORY PROVISIONS OF LAW RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST), BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
