## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "Trademark Security Agreement") is made as of November 29, 2018, by Integrated Products, Inc. ("Grantor"), in favor of BMO Harris Bank N.A. (together with its successors and permitted assigns, the "Grantee").

WHEREAS, the Grantor has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, the Grantor, the Grantee and certain other parties thereto have entered into a Credit and Security Agreement, dated as of September 23, 2014 (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Credit Agreement"); and

WHEREAS, pursuant to the Credit Agreement, the Grantor has granted to the Grantee, a continuing security interest in all right, title and interest of the Grantor in, to and under the Trademarks, together with, among other things, the goodwill of the business, symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (as used herein, the "IP Collateral"), to secure the payment, performance and observance of the Obligations (as defined in the Credit Agreement).

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor does hereby grant to the Grantee a continuing security interest in and to the IP Collateral to secure the prompt payment, performance and observance of the Obligations, and does hereby agree as follows:

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the IP Collateral are more fully set forth in the Credit Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.
