## **CONFIRMATORY WORLDWIDE TRADEMARK ASSIGNMENT**

This Confirmatory Trademark Assignment Agreement (“**Assignment**”) is made between DIESEL & GAS TURBINE PUBLICATIONS, INC., a Delaware corporation having a place of business at 20855 Watertown Road, Suite 220, Waukesha, Wisconsin 53186 (the “**Assignor**”), and KHL GROUP AMERICAS LLC, an Arizona limited liability company having a place of business at 3726 E. Ember Glow Way, Phoenix, Arizona 85050 (the “**Assignee**”).

WHEREAS, the Assignor is the owner of the trademarks set forth in the trademark applications and trademark registrations listed on **Exhibit A** attached hereto (the “**Trademarks**”);

WHEREAS, the Assignor has agreed to sell, convey, assign, and transfer to the Assignee all of its right, title and interest in and to the Trademarks;

WHEREAS, the Assignee desires to acquire all right, title and interest in the Trademarks, the goodwill symbolized by the Trademarks, the registration of the Trademarks, and any applications for registration for the Trademarks pending as of the Effective Date of this Assignment; and

WHEREAS, the Assignee is the successor to the entire business of the Assignor to which the marks pertain and that business is ongoing and existing.

NOW, THEREFORE, in consideration in the sum of \$1.00 USD and other good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

The Assignor hereby sells, assigns, transfers, and conveys to the Assignee the entire right, title, interest in and to:

- (a) the Trademarks in the United States of America and throughout the world;
- (b) the goodwill of the business connected with and symbolized by the Trademarks in the United States of America and throughout the world;
- (c) all applications and registrations for the Trademarks anywhere in the world, including, without limitation, the right to renew any registrations included in the

Trademarks, the right to apply for trademark registrations based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks; and

(d) the right to damages for any infringement, including past infringement, of any of the Trademarks.

The Assignee hereby accepts the sale, assignment, transfer and conveyance by the Assignor of the entire right, title, and interest in and to the preceding items (a) – (d).

The Assignor further confirms that the Assignee has acquired the entire business of the Assignor, including all portions of its business pertaining to the Trademarks listed in Exhibit A, as of the Effective Date of this Assignment.

The Assignor warrants that it is the legal owner of all right, title, and interest in the Trademarks, and that the Assignor has not previously pledged, assigned, or encumbered any of the Trademarks.

The Assignor further warrants that it will, without demanding any further consideration, at the request but at the expense of the Assignee, do all lawful and just acts, including executing and acknowledging instruments, furnishing information, and giving testimony that may be or become necessary for maintaining and perfecting the Assignee's rights to the Trademarks, such as in cases of opposition, cancellation, and litigation.

The parties acknowledge that this Assignment may need to be recorded to effectuate the transfer of ownership set forth herein. The parties further acknowledge that this Assignment may be executed in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile or e-mail transmission, which transmission shall be deemed delivery of an originally executed document.

The Effective Date of this Assignment is **February 1, 2018**.
