**EXHIBIT F**

**TRADEMARK ASSIGNMENT AGREEMENT**

This Trademark Assignment Agreement ("Assignment") is dated as of August 28, 2018 ("Effective Date") by and between QuickLogix Inc., a Delaware corporation ("Assignor") and Freshworks Inc., a Delaware corporation ("Assignee").

**WHEREAS**, Assignor is the owner of the trademark identified on Schedule A attached hereto (the "Mark"), and is the owner of the registration application and registration of such Mark in the United States Patent and Trademark Office and other trademark offices around the world ("Mark Interests"); and

**WHEREAS**, pursuant to the Asset Purchase Agreement of even date herewith by and among Assignor, Assignee, Ganesh K Raghupathy and Kannan Raghavan ("Agreement"), Assignor agreed to transfer and assign its interests in the Mark and the Mark Interests to Assignee for Assignee's exclusive use thereof in connection with the other assets being transferred to Assignee from Assignor under said Agreement.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged Assignor and Assignee agree as follows:

1. Assignor hereby irrevocably assigns, sells, conveys and transfers unto Assignee all rights, title and interests in and to the Mark and the Mark Interests, together with (i) the application for registration and registration of the Mark, (ii) all worldwide and common law rights that Assignor may have in the Mark, (iii) the right to prosecute such applications or any new applications for the Mark and enjoy the benefits of any registrations resulting therefrom worldwide, (iv) the goodwill of the business symbolized by and associated with the Mark and the Mark Interests, and pursuant to Section 10 of the Trademark Act, 15 U.S.C. §1060, such assignment includes the portion of the business of Assignor to which the Mark and the Mark Interests pertain, which business is ongoing and existing, and (v) the right to sue (including filing and prosecuting opposition, cancellation and similar proceedings) and recover for, and the right to profits or damages due or accrued, arising out of or in connection with, any and all past, present or future infringements or dilution of or damage or injury to the Mark or the Mark Interests or such associated goodwill. Assignor hereby requests that all appropriate trademark offices issue registrations in the name of Assignee.
2. Assignor hereby agrees with Assignee that Assignor, upon request, shall execute any and all further instruments regarding the assignments and transfers contemplated by this Assignment, which may be reasonably required in order to better secure to Assignee the use and benefit of any and all of the Mark and Mark Interests, and that Assignor has not executed and will not execute any agreement in conflict with this Assignment. Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as Assignor's agents and attorneys-in-fact to act for and in behalf and instead of Assignor, to execute and file any documents and to do all other lawfully permitted acts to further the above purposes with the same legal force and effect as if executed by Assignor.
3. Assignor hereby covenants and agrees that it shall not challenge or assist others to challenge any of the Mark or Mark Interests or attempt to register or cause to be

registered (or make any filing with respect to) the Mark or any marks, logos or trade names confusingly similar thereto, anywhere in the world.

4. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

*[Remainder of page intentionally blank]*

IN WITNESS WHEREOF, Assignor has executed this assignment, as an instrument under seal,  
as of the 28<sup>th</sup> day of August, 2018.
